Use Headlock Or
Retire, Says Lewis

In Upholding Hold He Refers
to "Kindergarten" Wrestlers
and "Parlor Rules"

Pittsburg, Feb. 28.—"Certainly I'll use my title against any wrestler in the world," declared Ed (Strangler) Lewis, heavyweight champion, here tonight.

"But please understand this," and Lewis's brow knotted: "I'll use the headlock in all title bouts. Jack Curry may say one else can't dictate an official against that hold. It has been used in wrestling hold, and simply because I've specialized in it and made it an effective weapon as well as a defensive shield they are trying to bar the use."

No one ever protested Lewis's use of the headlock, and Lewis said he would use it in all title bouts. "I'll use the headlock or retire and take the championship with me, and those kindergarten wrestlers can play their game according to parlor rules if they care to."

South End Rink
Closed For Season

If Weather Is Favorable and
Ice Good Races Will Be
Held on Lily Lake Saturday

The South End open air rink was closed last night for the season. It had been the intention of Frank White to finish a race programme last evening but weather prevented the plans from being carried through.

If all is favorable next Saturday afternoon Mr. White intends to hold the races on Lily Lake, and the events include three mile, half mile as well as some other races. Charles Gorman, Frank Gamett, Hilton Beyer and other stars will be on hand and all that is wanted is fine weather and good ice to attract a large crowd.

Basketball At
Y.M.C.A. Tonight

City League Winds up Season
at Y. M. C. A. With Three
Games.

The City Basketball League will wind up their games on the Y. M. C. A. floor tonight with the following teams taking part:

The Swoops will be the first game on the programme, Alerts vs. Y. M. C. A. at 7:30.

Gorman street Baptist will play St. John's at 8:30, and High School vs. Orioles at 9:30. This will wind up the games as far as Y. M. C. A. floor is concerned and a great deal of interest is centered around the result of the intermediate series, and the probability is that High School, Y. M. C. A. and Y. M. C. I. will finish in a three-cornered tie.

The Y. M. C. A. intermediates were defeated by the High School Sharks in a preliminary to the Warriors' game last Saturday night. Fresh with their success, the Sharks have made a challenge to the winning team of the intermediate League. If this game is pulled off, it should prove an interesting one.

Carpentier And
Dempsey July 2

Tex Rickard Takes Over
Brady and Cochran Interests—Location Not Selected

New York, Feb. 28.—Tex Rickard, boxing promoter, today took over the interests of Wm. A. Brady, of New York and Charles R. Cochran, of London, in the world's heavyweight championship match between Jack Dempsey and Georges Carpentier which the three promoters originally agreed last November to stage in 1931.

At the same time that Rickard handed to Brady, Cochran's New York representative, a check for \$66,666, representing Brady's and Cochran's share of the \$100,000 posted by the promoters on signing the papers, he announced officially that the match would be held Saturday, July 2.

Rickard announced, however, that the location for the bout which was to have been made known tomorrow, had not yet been selected, and that he had asked the two boxers for a thirty days' extension.

Rickard's action today in taking over the other promoters' interests followed a controversy over the question of whether all parties to the contract had posted forfeits. This controversy subsequently gave way to the question of whether Brady and Cochran were to go through with the deal, and Rickard's announcement that he stood ready to relieve them of their obligations if they so desired.

Poland Champion
Won From Peters

New York, Feb. 28.—Stanislaw Zbyszko, of Poland, defeated Charles Peters, of Nebraska, in a catch-as-catch-can wrestling match here tonight in 48 minutes and 54 seconds. Zbyszko it was announced will meet Joe Stecher here on March 14 in a finish match.

Zbyszko won with a combination too hold, head scissors and wrist lock. Peters displayed agility and had a good attack and defence. He broke many of Zbyszko's holds and was top man several times. The experienced veteran finally wore down the Westerner.

CRICKET CLUB
MAY BE FORMED

In answer to a letter published in the newspaper asking those interested in the good old game of cricket to apply to the secretary of the Old County Club, F. S. C. Horne is receiving a number of letters from players who are anxious once more to handle a cricket bat or field a ball. The prospects for forming a cricket club are excellent and it is hoped that interest will be aroused in other places so that matches may be arranged.

WANTS A RACE.

M. J. Perry, of Moncton, who could not get a place here recently against Charles Gorman in the championship race is out with a challenge for a one mile opposite side race in the Moncton Arena, and says the offer will remain open until March 6th.

Chatham Was
Again Victorious

Defeated Sackville Team Last
Night by a Score of Seven
to Two

Chatham, N.B., Feb. 28.—Chatham tonight added another game to their long string of victories at the College Rink here tonight, defeating Sackville members of the Western League by the score of seven to two. The ice was in fairly good condition and good, fast, clean hockey was witnessed throughout.

During the entire game Father Spratt played his usual fast game, being "Johnny on the spot," whenever needed and with McMahon and Keough on the wings in good condition some fine combinations were in evidence.

Power for Sackville played a star game, while Tracy in the nets kicked out all the possible shots. Currie and Cripps on the Chatham defense put up a fine exhibition of hockey.

The line-up:

Chatham	Goal	Sackville
Currie	Defence	Tracy
Currie	Centre	Amos
R. Cripps	Left Wing	Copp
Spratt	Right Wing	Power
McMahon	Right Wing	Noah
Spratt	Right Wing	McAllister
Legere	Right Wing	D. Martin
Cripps	Right Wing	Scott

The score by periods resulted as follows:

First Period—Chatham 3; Sackville 1. Second Period—Chatham 4; Sackville 0. Third Period—Chatham 3; Sackville 1.

Penalties—Chatham 5 minutes; Sackville five minutes. Referee, T. Gilbert.

Canadiens After
The League Title

St. Patricks of Toronto Were
Whitewashed at Montreal,
Canadiens Scoring 4 Goals.

Montreal, Feb. 28.—By white-washing St. Patrick's of Toronto in the National Hockey League fixture here tonight, four to nothing, Canadiens have rather better than an even chance of securing the league title and representing the eastern circuit in the Stanley Cup series.

Ottawa Senators, losing their fifth straight game Saturday night when beaten by the Sharks, appear to have slipped so far from the form of the early season that they will apparently offer but nominal opposition in the play-off to the team which secures the present half, particularly now that that team is the Canadiens.

The game was one of the most brilliant exhibited in the league this season. Canadiens had a distinct edge on their opponents throughout the play. They led at the end of the first period, by 1 to 0, and at the end of the second by 2 to 0. The game was played over a heavy sheet of ice that made it difficult for the goalkeepers to play brilliant hockey. The goalkeepers both played brilliant hockey in their efforts. St. Pat's were mostly of substitutes, while the team was almost without the services of Desnoy.

Don't Keep The
Bride Waiting

"It doesn't do to keep the bride waiting, even if it is some one else's bride," seems to have been the motive that inspired James Verner who was before the police magistrate yesterday charged with assault by his wife Josephine.

Mrs. Verner was present to present her side of the case and did so most eloquently. She stated that she lived with her mother at 278 Brunswick street and that on Jan. 29th her husband came in about 9 p.m. and insisted on her going to a wedding with him. She took about ten minutes to get ready which tended to annoy her spouse. He admonished her to accelerate her actions with a few pet words of a particularly naughty vocabulary, and then gave her a love tap over the head, and chased her down the stairs. The complainant then called the police and had him ejected and advised him to stay away from the premises altogether. Shortly afterwards she learned he had departed for the lumber woods. His return to the city occurred quite recently.

L. A. Conlon appeared for the prosecution. The accused was remanded.

Military Camps Are
Assured This Season

Col. A. J. Markham Returns
from Annual Convention
of Canadian Cavalry Assn.

Col. A. J. Markham of the 5th Prince of Wales Hussars returned to the city yesterday after attending the first annual convention at Ottawa of the Canadian Cavalry Association held since the war.

Strong Attendance.

Col. Markham stated that the convention was marked by a strong attendance of cavalrymen from one end of the Dominion to the other, and that much enthusiasm prevailed all being of the opinion that this branch of the service was about to enter a new era of development. The fact that the pay being offered troopers will be double that of pre-war days it was felt would be a great boost to cavalry training.

Sir Hugh Guthrie, Minister of Militia, was elected honorary president of the association and Brig. General Patterson of Winnipeg, president. The other officers elected were, Lt. Col. Munroe, Prince Louis Dragon Guards, Ottawa, secretary; Lt. Col. Courtney, P.L.D.G., Ottawa, treasurer.

Military Districts.

It was decided to divide the association into geographical or military districts by sub-associations consisting of a vice-president and secretary each district to elect a representative to attend the annual meeting to be held in Ottawa, Nov. 18, 1932.

Nearly every one of the 32 cavalry units in Canada were represented at the recent Ottawa meeting, the most successful in the history of the association. All the different representatives were optimistic in regard to future training, in view of the fact that the pre-war scale of pay is to be doubled, a schedule having been worked out to apply to all ranks with a special extra allowance for returned men.

Allowance For Horses.

The allowance for horses to be increased from one to two dollars per diem. Col. Moss of Ontario an expert horseman has been working on the recurrent question and arrangements are suggested for placing in Districts the best stations to raise good general service and saddle horses.

The Camps.

It is assured that camps will be held, the date to be determined by the D. O. C. of Military Districts to suit local conditions. The Cavalry of N. B. will probably go for training about the 22nd of June next.

The senior officers of the regular Canadian army were in attendance at the meeting including Major General J. H. MacBrien, Chief of General Staff, General Bursall, Inspector General, Brig. General Macdonnell, M. D. No. 7; Brig. Gen. Thacker, M. D. No. 6; Brig. Gen. Williams, M. D. No. 2.

Hamilton Sprung
Surprise On Ottawa

Senators Lost Professional
Game at Hamilton by Score
of Five to Two.

Hamilton, Ont., Feb. 28.—Hamilton professional baseball team here tonight, the first time this season here tonight, the score being Hamilton 5, Ottawa 2.

The Hamilton team was always beat except for a time in the second period, when the Ottawas showed flashes of the form which won them the championship of the first series. The game proved costly to Hamilton, despite the victory, for just before the game closed Joe Matte was hit in the leg by the puck while stopping a shot and his leg was broken.

The first man arrested, though a married man with a large family, was given a prison sentence, one of the youngest single men has been acquitted, Reid and Dow, along with several others are yet to be tried. The majority of the thefts are alleged to have been in connection with mail orders from the T. Eaton branch at Moncton.

Ready For Meet

Much Activity at Y. M. C. I.
"Gym" for Physical De-
monstrations to be Given.

An unrecited activity is apparent in the Y. M. C. I. gymnasium, both in the afternoon and evening of late. Squads of athletes may be seen going through their paces in preparation for a big physical demonstration to be given about the middle of April.

All the "gym" classes have been filled to capacity this winter, and under the capable and inspiring direction of their physical instructor, W. K. Stirling, both the junior and senior classes whether boys or girls, have made much progress in the science of physical culture. The big demonstration should prove well worth watching, and the Y. M. C. I. squads means to do all in their power to give a good exhibition of the work their winter programme has embraced.
