Berlin, Feb. 9.-The Anglo-German reations and their surmised modifications, owing to Emperor William's visit to England, form just now the all-engrossing topic Since his majesty's return all Gertopic. Since his majesty's return all Germany has been engaged in the discussion. The decorating of Lord Roberts with the Order of the Black Eagle and Emperor William's reply to King Edward's speech, in which the emperor said he was honored in wearing a British uniform and that the emperor's army would likewise feel it an honor, have specially aroused keen criticism, which is privately expressed much more freely than in print. But whatever comment is made is in cautious terms.

Mrs. Medley is quite ill at her home on Church street.

Many things may happen when you catch the thing that usually happens in the bronchial tubes or in the throat, and the discharge of mucous from the head constantly poisons this. Then the very contractions of the throat muscles in the act of coughing helps to irritate so that the more you cough the more you have, to cough the more you have, to cough the sarted in this way results in lung troubles that are called by sericus names. It is in this irritated bronchial tube that the germ of consumption finds lodgment and breeds.

Great numbers of persons disregard cough at first, and pay the penalty of neglect. Cough never did any one any good. It should be dispensed with promptly. Adamson's Botanic Cough Balsam is a well known remedy, and it is the surest and quickest cough cure known t
