BY BEN: PERLEY POORE.

CONTINUED. As thisties wear the softest down, .. As thisties wear the softest down,
To hide their prickles till they're grown,
And then declare themselves, and tear
Whatever ventures to come near;
So a smooth knave does greater feats,
Than one that idly rails and feets,
and all the mischef that he meant. And all the mischief that he meant, Does, like the rattlesnake, prevent.

PECUNIARY DIFFICULTIES. Lucky was it for the "most patient of all me that "bills payable" were unknown affairs—and this at the very time when his nephew's recovery should have made him happy, without a cloud of care. The truth was, that he had become a prey to the secret macinations of Lava-lette, and of Manasseh, who had gradually entangled him in their meshes until there was no possibility of his escape from bankruptcy. Yet the wily French-man had so faisified the entries in his When this was first wanted, - for preof his own fortune,-Lavalette had introduced manasseh, as having idle capital which he wished to invest at a moderate interest, where it would be safe in case of a revolution, The consul, nothing loth, had thue taken loan after !oan, until he had more than borrowed the amount of his home property-although he fancied he had large amounts to his credit in the hands of distant consignees.

already narrated. As they walked along be tancied that Lavalette's manner was changed, and that the replies to his so obsequious. What answers were given, as to the different balances to the consul's credit in foreign ports, were widely different from his mental account-

It was the first time that the consultance of his book keeper—although he was one what surprised to see Lavalette open of his book keeper—although he was one what surprised to see Lavalette open of his book keeper—although he was one what surprised to see Lavalette open of his book keeper—although he was one what surprised to see Lavalette open of his book keeper—although he was one was at liberty. Nor he stranger.

'Your brother did it, noble sir,' was soon libered himself. Descending the staircase he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the staircase he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the staircase he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the staircase he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the was not seed himself. Descending the staircase he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the week of the servant's reply, 'though when he went out, he expected to return before he reaction to see Lavalette open of his book keeper—although he was not seed himself. Descending the went out, he expected to return before he reaction to see Lavalette open of the servant's reply, 'though when he were not seed himself. Descending the servant is not seed himself. Descending the servant is not seed himself. Descending the head not descend to return before he reaction to see Lavalette open of the servant is not seed himself. The servant is not seed himse the outside door by pushing a concealed spring, and hold it that he might enter. This way Mr. Consul, said he; and

as he went up stairs, followed by his employee, a satanic expression of triumph illuminated his features. But upon opening the door of the sitting-room, the expression changed into a perplexed look—for it was occupied. Closing the door hastily, he said, in a consistence of the room, which was lighted by the full rays of the fused tone;

soon return, '—a request which the trou-bled merchant complied with—throwing himself upon the ottoman in no very plea-

Lavalette, after carefully closing the door behind him, went down stairs, and entering his sitting room, where a young Souliote palikar was impatiently pacing the floor. It was to avoid this unlocked up stairs, and it was not without som isible apprehension that he greete

tamelled scarlet cap. His countenance had that voluptuous yet noble look, which the ancient sculptors embodied in Pen-tellican marble; and his shining black eyes gleamed as though they were des-tined to light his path at midnight. 'Tonight however, a treasures is to be chosen, and I wish to present you to the dele-

gates. So come along.?

But my dear Odysseus—'

But,' inturrupted the impatient Suliote,
is not a word for revolutionary times. Why, you have been at work for a week endeavoring to get this post, and now re-fuse to come for it! Why, man alive, you must come. I have told several of palikars that you would be there. and by the rock of Corinth, I will not

Lavelette bit his nails with vexation for he desired the office of treasure to the revolutionists in order to carry out his plots, yet he feared to leave the out his plots, yet he feared to leave the consul. Another day, and he could defy him; but a thought came to his relief.

'Tell me,' said he, 'can I not return but easily heard every word spoken. consul. Another day, and he could defy him ; but a thought came to his relief.

soon, for I have a visitor up stairs. the evenings of the accountant?

Lavalette made a ghastly attempt to smile at the wit of the rattle-braine young palikar, and thought it a capital

'Hush!' said he, in a mysterious hisper; do not talk so loud. If you ill promise me that I can return in less

than an hour I will accompany you. Well, wait here an instant, while

stairs, and I will then be with

stammering excuses, promising to return in a few moments. Not waiting a reply, he descended to the lower floor, gave a message to his servant, and then rejoined too, that he had heard that Lord Byron

dreamed, as he crossed the threshold, I many n that he would never again visit the har-bor of so many plots—the web, where he had lay concealed, year after year as he spun his threads of guilt. the har-think ne arrest h

We will now return to Consul Orloff. who was thus left alone in an upper chamber, in a state of suspense, and most insupportable of all phases of life. There insupportable of all phases of life. There had been something in his book-keepers manner that had grated harshly on his teelings; nor had the replies which be had given during their walk as to business matters, been at all satisfactory, for they had widely differed from his own estimated who nate of the sums due him abroad. It met to has become a proverb, that in matters in which a map may be supposed to be most interested, he exhibits no vigilance ldumes, or he could have been easily at all; and the consul upon reflection, Orloff, who had passed through life with grave indifference, each disappointment case—hardening his heart with stoicism, now found himself harrassed by business affairs—and this at the same to universe the mystery without delay, and to passed the same with stoicism.

The room was rather warm; and, as the wind the pay window, and opened the lower

It was a lovely night, and the cool stranger sea breeze stirring the few grey locks almost upon the old man's temples, calmed his which h feverish blood. He let that he stood on features ledgers, that everything appeared in a leversa of only prosperous condition; and the only act with fortitude, and meet his late the brink of a chasm-but determined to saddle act with fortitude, and meet his fate manfully. The thought that his loved that who of Man severest pang; but then as the quiet loveliness of the night calmed his troubled spirit, he was cheered by the recollection of the going officer's rapid advancement under the personal protection of the archduke. For himself, personally, he cared but little—although he felt that it was hard for a merchant, whose credit had heen undoubted for a long term of years. been undoubted for a long term of years, to be dishonored in his old age, and that by some culpable villany.

Tonc spur, the spur, the spur, the spur, the spur, the spur is t

Approaching footsteps in the elow attracted his attention, and he was the first positive humiliation; and it was with feelings of angry mortification that the old gentleman left the consulate early on the evening which—in its later hours—was marked by the events already narrated. As they walked already narrated. As they walked already narrated. As they walked already narrated.

'You can return to the barracks. Tell Otho to come here, ne knows the house questions were evasive, and were given in rather an insolent tone, which appeared strange from one who had ever been there are scores of Greeks about The to-night. Let them be well armed and citadel, mounted, for I shall return at once to the Were to

The soldiers, with a military salute, widely different from his mental accountcurrent, and came as flashes, which only
contributed to discover the darkness
lowering over his affairs.

At length they reached the Jews'
quarter, where the descendants of the
"chosen people" were seated at the
doors of coffee-houses, recounting the
traditions of their nation's glory. A few
steps beyond the limit, and they arrived
at Lavalette's house.

It was the first time that the coord

consul heard no more; but his suspicions were aroused to a greater degree than before. Rising, he walked to the door of the room—but found that it was lock-

fused tone:

'Up stairs—up stair!'

Ascending another flight of stairs, he ushered the consul into a room, with a latch; but on openushered the consulting the latch into a l bay window, commanding a view of the street below, and pointed to an otto-Sit down, Mr. Consul, and I will side; the consul returned to his seat at the window overlooking the street, determined to call for aid should a patrol his trunk pass. An hour had now elapsed since Lavalette left. Why did he not

While thus a prey to conflicting thoughts, he heard a step ascend the stairs, and started to his feet, but the person whoever it was, passed by. Another moment, and light shone through the window at the bottom of the closet, and he felt an irresistible impulse to see

visible apprehension that he greeted him:

'What news, Odysseus? I did not expect to see you.'

'Neither did I expect to come,' replied the young man, who wore the gay Siloutian dress, with its flowing "fustanelle," richly ornamented arms, and tasselled scarlet cap. His countenance the gay the scale of the young man arms, and tasselled scarlet cap. His countenance the gay the scarlet cap. His countenance the greeted what he could. Approachingly noiseless-ly he stood upon a box, and found that the curtain of thin muslin, did not prevent his seeing everything in the room beyond. The stranger was at first standing with his back towards him; but he soon changed his position and the consult recognized Manassah! Yes, there could be no mistake; and

yet his flowing white beard had been metamorphosed into one of glossy blackness, trimmed rather closely for the orient. But strangest of all, he had the cousul's ledger; and the old merchant, with a troubled heart, saw him turn over leaf after leaf, while occasionally a smile of trimmels glossy of the story fear the of triumph gleamed over his stern features. At times he was tempted to which I knock on the window and demand an explanation; but prudence counseled tion.
him to remain quiet, and unravel if pos-

sible, this strange proceeding. Again the ring at the outer door was chor and rattled; but before the consul could gain taken ag is a Brit It was, he thought, Lavalette—and now I know there would be come action. But the it would footsteps were far heavier as they appeared, than was the cathle tread of ceive so

the wily Frenchman, and they passed by Lavalet also to the next room. Again did the old man act a part which

'Ha! ha! some lady comes to enliven ed in the well known garb of an English sailor. A wine shirt collar, carelessly tied with a black silk handkerchief, fell far on the shoulders of his blue jacket, out on the front of which were thick rows of bright buttons. Extravagantly large white trowsers came over neatly fitting pumps; and in his hand he twirled a straw hat, with some word in golden

etters upon its broad ribbon. 'Is all ready for sea?' inquired Man-
