HOLSTEINS.

We have now on hand for inspection the choicest lot of the above stock ever imported into the provinces. At Canada's International Exhibition last fall we were awarded more prizes and diplomas than all other breeders of Clydesdales combined, including, 1st for best stallion 4 years old; sweepstakes for best stallion any age; 1st for best stallion and five of his colts; 1st and 2nd for 3 year old stallions; 1st for stallion colt; 1st and 2nd for best mare any age, 1st and 2nd for 2 year old fillies, and other less valuable prizes. So any who are thinking of investing in a first-class stallion of servicable age, we would ask to come to see the lot that we have on hand for sale. We also call attention to our Mares and Fillies. All our stock are prize winners and royally bred.

In Cattle we offer young stock of both sexes from calves up.

Correspondence punctually attended to and visitors cordially welcome. Rare individuality.

1891. GREGORY'S SEED CATALOGUE. 1891.**HOME GROWN, HONEST, RELIABLE.**

I offer you my Vegetable and Flower Seed Catalogue for 1891 **FREE**. Note the immense variety of seed it contains, and that all the best novelties are there. Not much more show about it (you don't plant pictures) but fine engravings from photographs of scores of the choice vegetables I have introduced. Would it not be well to get the seed of these from first hands? To be the oldest firm in the United States making mail and express business a specialty proves reliability. Honest and honorable dealing is the only foundation this can rest on. My Catalogue is **FREE** as usual. A matter on second page of cover will interest my customers. **J. J. H.
