

Forest and Financial Reserves

Forest Reserves are essential to the future welfare of Canada. Financial Reserves are essential to the future welfare of the individual or business organization.

The surest and safest medium for building up your personal reserve is a Savings Deposit Account.

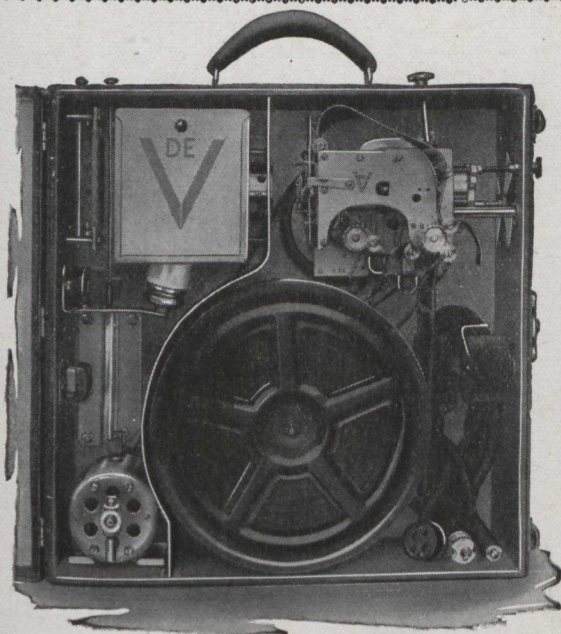

An important feature of every Branch of

THE BANK OF MONTREAL

is its Savings Department, to which all are invited, no matter how small their accounts may be. Every deposit of \$1.00 and upwards bears interest at highest current rates.

ESTABLISHED OVER 100 YEARS.

Capital Paid-up	\$22,000,000
Reserve	\$22,000,000
Total Assets	\$571,150,138
