## Free With Electric Suspensory for Weak Men

Sends the current to the prostate gland, the seat of all weakness. It develops and expands weak organs and checks losses. No case of weakness can resist it. **FREE with Belts for Weak Men.**

Let any man who is weak, broken down, old and decrepit in physical weakness, full of pains and aches, gloomy despondent and cheerless—any man who wants to be stronger and younger than he feels—let him come and tell me how he feels, and if I say that I can cure him he can depend upon it. This is to men who are afflicted with nervous debility, who get up tired in the morning, have Backache, Rheumatism, Stomach, Liver, Bladder and Kidney Trouble, who are constipated, or suffering from nerve or muscle weakness or some forms of Paralysis and Locomotor Ataxia. I don't want money that I don't earn. I don't need it, and am not after it. But I am after the dollars that are now going wrong in the quest of health. Look at all the poor wrecks of humanity that are spending all they earn on drugs—drugs that are paralyzing their vital organs—that have spent all they have earned for years without gaining a pound of strength for the hundreds of dollars wasted.

That is the money that I am after, because for every dollar I take I can give a thousand per cent. interest to the man who invests it. I have cured so many cases right here that I can prove my claims to you, but if that proof is not enough I'll give you the names of men right near you—where you are. Is that fair?

Most of the belts that I am selling now are to men who have been sent here by their friends whom I have cured. I think that is the best evidence that my business is a success from the standpoint of cures, as well as on the dollar side.

Just lately I have received letters of praise from these men who have used my

## DR. McLAUGHLIN'S ELECTRIC BELT

Dr. McLaughlin:

Dear Sir,—I now feel like a new man altogether, I can travel all day, and my legs do not bother me. It used to be that when I went about a half a mile, if I sat down, I could hardly start again. I was bothered with Dyspepsia. I always had pains, and was afraid to eat too much, but it does not bother me now. I feel so good now that I cannot praise the Belt too much.

JOHN HARPER, Boden, Man.

Dr. McLaughlin:

Dear Sir,—I am glad to say that I am quite well and entirely satisfied with the benefits received from your Belt, which made me strong and well again, after years of suffering. I can truly say its benefits have been permanent. I can highly recommend your Belt for the ailments for which you recommend it.

WM. H. CAMPBELL, Earl Grey, Sask.

Dr. McLaughlin:

Dear Sir,—I purchased one of your Belts in December, 1905, and after using it as you directed, I felt like a new man, and I am pleased to inform you that I am just as well to-day and as free from pain as I ever was in my life. I found your Belt much better than was represented, and I have recommended it to many others, and shall always feel a pleasure in doing so. I am more than satisfied with my Belt. I followed your instructions and found it complete. Hoping you will have every success,

TIMOTHY LEADBEATER, Lethbridge, Alta.

Dr. McLaughlin:

Dear Sir,—It is indeed with great pleasure, both from my husband and myself, that I write this letter to you. It is going on three years since I have had your Electric Belt, and must say it has made a new woman of me. It has indeed proved itself a true friend to me and I would not part with it for twice its weight in gold. I could not do a day's work without having to lie down for half a day, before I wore the Belt, but now I can do all my work and attend to four children without ever feeling tired. I thank Dr. McLaughlin for the great benefit he has given me through his Electric Belt, and wish him the best success for the future.

MRS. J. LABOQUE, Riversdale, Sask.

Dr. McLaughlin:

Dear Sir,—It is some five years since I wrote you that your Belt had given me perfect satisfaction, and I am still as strong and hearty as any man could expect to be. It is certainly a God-send that such an appliance should be invented for the cure of the ailment of poor, wrecked humanity. I can now eat anything that is eatable and digest it well; no trouble worries me and my nerves are very strong. I have been singing the praises of your Electric Belt for eight years and will continue to do so. I cannot say too much for it has made my body a pleasure to own.

W. L. FLEMINGTON, Lumsden, Sask.

I HAVE AN ELECTRIC BELT THAT DOES CURE, and I am offering it to you in such a way that you take no chances whatever. Give me your name and address, with a statement of your case, and I will at once arrange a Belt suitable for your case, and

## WHEN YOU ARE CURED PAY ME

I don't want your money without giving you value for it. I know it will cure in any case that I undertake. If I can't cure, I'll tell you frankly. You have nothing to lose, for if you wish you can use the Belt entirely at my risk, and if it doesn't cure you it will not cost you one cent. The only condition I impose is that you give me security for the Belt while you are using it, as evidence of good faith on your part.

Give me a man (or woman, for that matter) who has been sick and suffering for years, and taken medicine until the system is all run down and debilitated, the stomach unable to digest the food, and the nerves shattered. My Electric Belt will give new life to every organ, drive out disease and restore health.

I have the greatest invention of the age for weak men; the surest and easiest cure for all nervous and chronic diseases. Its wonderful power is directed to the seat of the nervous system, through which its vitalised strength penetrates into all parts of the body, carrying new life to every function which has been weakened by excess or dissipation, restoring energy to the brain and power to the vital organs. No weak men, no delicate or sickly woman will ever regret a fair trial of my Belt.
