

**The Haber-Dash
Back to U.**

We give you pause! To consider the excellence of fine traditional suits, sports jackets, trousers and the furnishings that are needed in the long run. All, made to our own standards, all available in widest assortment of colour, fabric and pattern. U. will need a full wardrobe.

"IN THE TRADITION OF GOOD TASTE"

**BIG
FLARE-UP**

Suddenly, the flare is the thing, in slacks for our today-conscious patrons. We oblige. Here is the flare interpreted with traditional scruples. The venturesome will note with satisfaction the swaggering lines. The more conservative will approve the neat patterns, nice details and general air of correctness. All will find the fit without peer.
