

Amateur Athletic Association

There are two student representative bodies at U.N.B., the Student's Representative Council and the Amateur Athletic Association (soon to be called the Student's Athletic Association). Both organizations are:

- a) Independent of one another
- b) Ultimately responsible to the administration.

This article shall acquaint you very briefly with the second student organization, The Amateur Athletic Association.

All voting members of the Amateur Athletic Association are elected by the student body in the spring. Your executive consists of:

President - Chris Williamson - 475-5337

1st Vice President - Janet Hepburn

2nd Vice President - Steve Wace

Secretary - Sandy Phinney - 475-3108

They are responsible for the coordination of the Athletic Association activities and they ensure that constitutional and athletic board policy is carried out.

Other members of the association are:

Residence Rep. - Keith MacKenzie

Women's Intramural Rep. - Sandy Robinson

Faculty Reps. -

Phys. Ed. - John Wheelock - 454-4433

Arts - Mike Walker - 5-5576

Nursing - Judy Ritchie - L.D.H.

Science - Bruce Patterson - 5-5571

Bus. Ad. - Ron Sepples - 5-4510

Forestry - Mike Auld - 454-4433

Engineering - Wayne Crone - 454-4433

In serving on seven standing committees of the Association, these members carry out the business of our student athletic program in cooperation with the Athletic Department.

Our meetings are held every 2 or 3 weeks in the Tartan

Room or the Gym Trophy Room. All Students are invited to attend - an agenda and minutes are posted on all major bulletin boards.

Finally a bit of advertising: we are not issuing phone numbers because we have nothing to do these fall nights. Your faculty reps. are the people to contact should you want to participate in intramural sports - and you must call them now for the fall sports. For inter-residence sports, call the following representatives.

Jones - Dick Loggie
Bridges - Brian Church
Harrison - Keith MacKenzie
Aitken - Bob Cooper
Neville - Bob Milkie
Neill - Bob Laughlan
L. B. R. - Bob Jack

If you have any problems or inquiries, call your representative or a member of the executive.

STUDENT DIRECTORY

Students who have not filled in directory cards and those whose addresses have changed are requested to complete new cards by the end of next week. Cards are located in front of the Alumni Office in the Student Centre.

Pictures for Yearbook's "Hodge-Podge" section. All types of candid shots wanted (residences, house socials, etc.). Place in Yearbook box at Campus Post Office.

Six Redsticks On Maritime Team

Editor's corner

While much importance is placed on sport at the Varsity level, all of us should be interested in another important area of our athletic program - Intramurals. We have, at our finger-tips, some of the best facilities in the Atlantic Provinces; a huge Gymnasium (a weight room, one handball court, five badminton courts, three basketball courts) eight tennis courts, three playing fields and a swimming pool.

There is room for everyone in the Intramural Program. If you don't make the varsity or Junior Varsity teams do not say "the blazes with it"; play intramurals. If you don't think this is enough competition you are wrong - the Leagues are very well balanced as last years playoffs seemed to indicate. If you played Intramural sports in high school don't say, "I'm not good enough." Anybody is good enough, that is why the program is set up - to give everyone a chance to participate. Intramurals are for the 92% of the students here "On the Hill" who don't play Varsity sports. Whether male or coed participate in athletics now, so that in post-college years you will not be a vegetable.

I would like to take this opportunity to thank the university for making this year's Treasure Van the success it was. Firstly, my thanks to Radio UNB for advertising

The U.N.B. Redsticks got their first taste of competitive play this season when they attended the Maritime Field Hockey Trials at Mount A. on Saturday. These trials were held to select a field hockey team to represent the Maritimes at the Eastern Provincial Trials in Toronto on October 31.

Field hockey players from all areas of New Brunswick and Nova Scotia were present at the trials on Saturday. The

Treasure Van and for arranging an interview with Messrs. Paul Cantor, Assistant Secretary of WUSC; Jacques Boucher, Treasure Van Eastern Tour Supervisor; and David Tilson, Chairman of WUSC at UNB. Secondly, I would like to thank Dr. F. J. Toole the Academic Vice-President, for conducting the Opening Ceremonies. Next, I must thank the staff of the Brunswickan for publicizing Treasure Van in their issue of Sept. 24. Special thanks are also extended to the girls of Lady Dunn Hall and downtown who helped to staff the Treasure Van and to the members of the Treasure Van and WUSC executives, without whose help the organization of Treasure Van - 1964 would have been impossible. Lastly, a very special thanks to the entire student body, some of whom found the time to visit Treasure Van and purchase some of the many articles displayed there.

UNB Treasure Van Committee

Redsticks made a very fine showing with six of the team members qualifying for the Maritime team. Four returning Redstick players - Janet Hepburn, Sally Smith, Anthea Allen, and goalie Ellen Shapiro - qualified along with two newcomers to the team, Gail Burke and Barb Bray. Congratulations is extended to these players and we wish them the best of luck in their encounters in Toronto. Two former Redsticks, Lynn Wisener and Liz Vermeulen, who graduated in '63 were also chosen for the team.

Although the Redsticks did not play a complete Mount A. team, they got an idea of how the so-called "powerhouse" operates, and are quite optimistic about future encounters with this team who have been their rivals for the last two years.

The Redsticks need the support of the student body, so come out and cheer the team on to its third consecutive Intercollegiate Championship.

NEXT GAMES - both at College Field

ENTERTAINMENT COMMITTEE

Anyone wishing to work with the entertainment committee this year, please send a written application to:

SUSAN GREEN,
Sec. Entertainment Com.,
S.R.C. Office,
Campus Mail.

A Career in Iron Ore!

IRON ORE COMPANY OF CANADA
QUEBEC NORTH SHORE & LABRADOR
RAILWAY COMPANY

SEPT-ILES, P. Q. • SCHEFFERVILLE, P. Q. • LABRADOR CITY, N.F.L.D.

Career opportunities are offered in

GEOLOGY
ENGINEERING: Civil-
Electrical-Mechanical-
Mining-Metallurgical-
Chemical

For a satisfying career in the Iron Ore Industry, address all inquiries to:

PERSONNEL DEPARTMENT,
IRON ORE COMPANY OF CANADA,
SEPT-ILES, P. Q.

Our representatives will be pleased to meet with you when they visit your campus on

October 21, 22, 23
