

Ever since the invention of the apple, people have been searching for immortality.

We know how you can get it.

It's easy. All you have to do is give us about an hour (or more) of your time. We'll put your name in our staff box and you'll have been immortalized ... sort of.

The Gazette is growing—growing so quickly we can barely keep up. If we can spread the workload around we can keep up and put out a better newspaper.

That's what we'd like to do, but we need your help.

We need more workers in our office—workers who are interested in writing, photography, or layout and design. You don't have to be skilled in any of these areas that comes later. For now you just have to be interested.

Work for the Gazette is mostly volunteer, and most people try a little of everything. If your interests are not yet defined, come in and expose yourself to all facets of newspaper production.

You'll soon find an area that suits you best. To help you along we've planned work shops in newswriting and layout and design. All you have to do is show an interest by dropping by to find out when they are happening.

If your interests or skills are already tailored, that's all the better.

Your time commitment is also up to you. If you want to spend a couple of hours a week writing a story, or laying out a page, that's fine. If you want to "live in the office", and let journalism take over your life, that's fine too.

So if you think you might enjoy some part of newspaper production, drop up and see us on the third floor of the SUB or phone 424-2507, and we'll take it from there.

After all, it's not everyday that you get the chance to become immortal.
