Hurler Ken Kaine turns triple play

A pitcher can find a lot of ways to help himself as any baseball coach worth his salt will tell you.

But Kenneth Kaine of the Lyons Marlins of the Sheridan Baseball Association outdid himself in a game this week by making an unassisted triple play to get himself out of a jam.

Kaine snagged a hard hit liner and then dashed to first and second bases to alertly catch runners trying to advance and making the rare unassisted triple play.

The Marlins needed the defensive gem to survive a 24-22 T-Ball thriller with Bayley-MacLean Swords. Lyons also lost this week 30-27 to the Blenkarn Whalers. The loss still left

them on top of the league with a 3-1 record. Schedules games between Harrison Penguins-Bayley Swords and Orphan Seals and Bagg Dolphins were rained out.

JR. GIRLS
Arlene Burgess bashed four hits including a home run as the Woodchester Red Sox dumped the Mississauga Travel Royals 15-7, and

moved into a tie for first place. Margie Franklin scored two runs for the Royals.

Linda Wood's five hits which included a long triple paced the Sheridan Yankees over the Travel Royals 29-11. Leading the losers at the plate was Debra Voorhees who poked three hits. Three other contests were rained out.

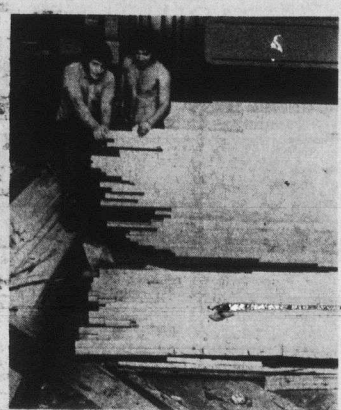

JR. BOYS
Brian Rafuse racked up his third mound victory and Woodchester Drug Expos continued undefeated when they topped Superior Rustproofing 11-7. Mark Grant, Darryl Demeester and Rafuse all knocked out extra base hits for the victors.

Losing pitcher Darren Capp who turned in a strong performance on the mound also cracked a triple and a single.

Steven Flick was the winning hurler.

Two more games were rained out.

SR. BOYS
Internorth Construction secured their hold on first place by stopping the Sheridan Service Rangers 7-2. David Terlecky got the win with hitting honours going to Joe Baggetta and fielding honours to Gerald Gadd.

IT WON'T BE LONG!

"VITO" the owner isn't visible in this picture, but by the way these men are working you know he's not far away. Vito is setting his sights on reopening about the first week in July. The alleys are now all in place (here we see only three more to go) the ends squared off and the alleys are now to be planned down and leveled. Then the alleys sanded and smoothed. Then the gutters and other ball returns etc. are all in place. The mechanics will have the pin setters all repaired and oiled and ready to go. Drop in and see the finishing touches take place. . . Be ready to throw the first ball.
