Indian hands, Governor Road,
The Hon^{ble} Peter Robinson 8th December 1838

Honoured Sir,

Nearly Twelve Months ago
by permission of James Brant Esq. I took
possession of Lot No 7 on the Lake Indian
hands, Governor Road on the footing that I
should have it by purchase on the same terms
as those on the neighbourhood.

I have built a House and made
large improvements at a considerable expense
thereon of course I am extremely anxious to have
it settled whether or not. I shall obtain the
warranty more especially as reports are current
here that Mr Jones has obtained authority from
your Honour or some other person to commence
operations on the same lot.

I shall esteem it a particular favour
if your Honour would inform me by return
of Post whether you have granted Mr Jones
this power or what claim he may lawfully
have to the lot in question or if I am likely
soon to have a settlement as to it.

Your answer as soon as possible addressed
