valued gentlemen as well - it's
rather rare now - a-days for every
profession is so specialized.
But you have the taste & feeling
for cultivation & I hope you can
give it a free rein. There is little
left to wish you since such high
success is yours. but that "little"
means much in a personal sense
& I trust it may be yours.

I did not go to the Darwin
centenary, for it was rather too

being a business for me - but my uncle felt it
was a very successful occasion.

I am sure in the country, in a leisurely way
travelling in the lakes, & I am to be sure in the
hills. Still, with Miss Gaskell's cottage it
is that. I am in, in August, when she goes away
by myself & with any friend I may get to stay
with me. I wish you might be that friend, & that I
or her see you in your. But England & Canada
