~~In writing to explain the value of~~
The words ~~system~~ seem to ~~mean~~ despite all the ~~talk~~

some possible subsequent confusion if it were made
clear that some in ~~fully academic~~ discussions of
a purely academic nature, no distinction has been
made in general use between the terms "Smearing"
and "Smearing System". Much has been written on
the significance of the word "System", and it has
been stated that ~~no~~ ^{as a system smearing} in fact does not exist.

~~In the minds of those who have spoken and written~~
~~on the subject~~ but it is going to ~~be~~ ^{the} term an importance
which its use in this connection has not warranted
to center an inquiry about the word ~~system~~ ~~is~~
though much ~~the~~ ^{the} issue determining one way
or the other, the problem of smearing would in any way
be affected. The truth is, the popular mind has a
fondness for the ~~the~~ phrase, it seems to lend
practical concreteness to the condition of affairs
