

scarcely add that in thanking
you both my congratulations
I am most cordially joined
by my wife & daughter.
I am exceedingly glad
that George Stephen's Ser-
vices have been
acknowledged & his merit
rewarded with a Baronetcy.
He deserved it most richly.

My recent letter from
Canada upon the increasing
excitement on the execution
of Bill as practicable at
an early period for the present at
least. It is hard to say
to what extent it may be
revived when Parl. meets.
But I do not believe the
"Unconquerable" can upset

the Govt. Sir John should
make much use of his
new Lieut. in the House
of Commons - With strength
and he had used of it.

With regard to my own
health, I think I am holding
my own but am occasionally
reminded that my ailments
have not relaxed its hold.

I hope I can support
yourself as well
In dear Sir Charles
Belin, we to be
Yours sincerely yours
H. C. Woodhouse
