January 3, 1929.

Hon. Senator Willoughby,
410 Hammond Building,
Moose Jaw, Sask.

My dear Senator:

I have your letter of 31st December.
I remember well reading Mr. Bram Thompson's articles.
Am inclined to think the Supreme Court would hardly
hold with him, especially by reason of the practical
obligations which would result.

I will be glad to see you any time
you are in Toronto.

Yours very truly,

AM/E.

Arthur Meighen.
