Sir,

I have the honour to acknowledge the receipt of your letter of the 19th Ultime, having reference to the land applied for by the Esquimalt and Nanaimo Railway Company for terminal purposes. In reply I beg to enclose the report and valuation of the same as made by A.W. Jones Esquire ~~Real~~ Real Estate Agent of this City also the Vouchers in duplicate for that gentleman's fee as requested. I may state for your information that having in company with Mr Jones walked over the whole of the ground required and thoroughly inspected it, I think Mr Jones' estimate of its value reasonable and endorse his statement as to the rocky nature of a considerable portion thereof.

I have the honor to be,

Sir,

Your Obadient servant,

A.W. Vowell
