

the beaver must look for it in this work. The common accounts are fables.

“Coleridge took up a volume one day, and was delighted with its strange simplicity.”

Cartwright reveals himself in these pages as a lover of the truth, a good observer and hard worker, a philosopher in good fortune and in ill fortune, a resourceful man in many trying experiences, and above all a man of strict honour and justice. In a larger field he might have attained great eminence. The memory of his labours and observations in Labrador are well worth cherishing.
