

In a short spact of time, once again it's funny,
How the news was spread quickly all round about,
"That Maloney was heir to his "Uncle Mike's
money,"

And that Pat had bought Mickey Muldoon right out.

So now Kate runs the bar, and there's no more fake,
For they've entered the bonds of Matri-mo-ny
And if any small pickings there are to take,
They'll be taken by Mrs. Kate Ma-lo-ney.
