

Weather Proverbs (continued)

A general truth is this from Shakespeare:
"The weary sun hath made a golden
set,
And by the bright track of his fiery
car
Gives token of a goodly day to-mor-
row."

"Mackerel scales and mares' tails
Make lofty ships carry low sails."

"A rainbow in the morning
Is the shepherd's warning;
A rainbow at night
Is the shepherd's delight."

"Rainbow to windward, foul falls the day;
Rainbow to leeward, damp runs away."

Stomach Distress?

Walkerville, Ont.—"My husband owes
his life today to Dr. Pierce's Golden Medical

Discovery and
'Pleasant Pellets.'
He was a very sick
man when I first
wrote to Dr. Pierce
for advice. He
could not retain
food and gas would
form in his stom-
ach. Finally, he lost
all desire for food
and would have
fainting spells.
Thru the advice of
Dr. Pierce, I pur-
chased some of the
'Discovery' at the

drug store and very soon my husband was
well and able to work."—Mrs. Mary Ellen
