

AT GALT

Is to be found the finest stock of Japanese Art Goods in Ontario.

When taking a trip on the Grand Valley you will find our store the most interesting place in Galt to visit.

We do not carry the common run of Japanese wares, but give our special attention to the finer lines, such as

OLD SATSUMA WARE,
FINE CLOISONNE,
IVORY CARVING,
OLD CURIOS AND
BEAUTIFUL SILK WORK.

Most of our curios were collected by Capt. F. J. Brown, who has spent over twenty years in Japan and the Far East.
