*Books of all kinds, or any Article connected with the Business, procured to order from England or the United States.*

H. & W. R. having a near relative in London who devotes himself exclusively to their agency, have peculiar facilities in their business, and care on the execution of any order which may be given. Vessels for Canada do not sail from England except from the month of March to August (both inclusive), and it is therefore necessary that orders should be given in Canada in time to reach England before or during that period.

Orders received for Books, &c. to be procured from the United States, which will be supplied at New York prices, with merely the duty added.
