

Wise Ways of Women.

No "prizes" offered with common soaps will tempt the wise woman to use common soaps. The wise woman soon sees she has to pay dearly for "prizes" in the low quality of soap in the damage common soaps do her clothes and her hands.

THE D'YOUVILLE READING CIRCLE

Ottawa, Thursday, Feb. 12, 1903. Editor of The Register:

The meeting of the d'Youville Reading Circle, held Tuesday evening, Feb. 3, was quite a departure from the usual routine, but the members who attended were very enthusiastic in their praise of the evening's entertainment.

Stylites," that last beautiful prayer, so humble, almost despairing, after a life of the most extraordinary sanctity.

I cannot close this without telling of the treat in the way of a lecture which Father Fulham gave us last week. We appreciate it all the more because he left a sick bed in order to keep his appointment with us.

Michael O'Dwyer, Who Made the Irish Land Question

(From The London Times.)

The death of Michael O'Dwyer, of Ballyhoey, which has just been announced, recalls one of the most singular and tragic episodes of the land struggle in Ireland.

A MEMORABLE EVICTION.

Mr. Scully, his bailiff and driver and a sub-constable entered the farmyard fronting the house, while the main force of constabulary were drawn up outside to keep back the crowd.

The indignation aroused far and wide by the episode was entirely directed against Mr. Scully. Even the landlords of Tipperary, fearing that he might be regarded as typical of that class, passed a resolution reprobating his conduct.

tenant, Michael O'Dwyer, who has just died in the house where the scene took place, but the authorities were unable to obtain evidence that would convict.

THE MARKET REPORTS.

Live Stock Looking Up—Wheat is Higher—The Latest Quotations.

Tuesday Evening, Feb. 17. Toronto St. Lawrence Market.

The receipts of grain and other farm produce on the street market here to-day were light, owing to the cold weather.

Wheat—Was steady, 200 bush of white selling at 72 1/2c to 73c, 300 bush of red at 72 1/2c, and 400 bush of goose at 67 1/2c to 68c.

Barley—Was steady, 500 bush selling at 48c to 50c.

Oats—Were firmer, 400 bush selling at 32c.

Butter—The receipts were light, there was a moderate demand only, and prices were steady.

Poultry—The offerings were small, the demand for choice fresh killed stock was fair and the market was steady.

Potatoes—The offerings were small, owing to the cold weather, and the prices were unchanged.

Toronto Live Stock.

The offerings at the cattle market here to-day were fair. Buyers were operating quite freely in some lines, and the general tone of the market was fairly satisfactory.

Exporters still complain that prices of cattle are too high to allow of fair profits on the export trade.

Receipts were 60 cars, including 565 cattle, 48 sheep and lambs, 42 hogs, and 19 calves.

Export Cattle—Were in good demand, and prices for the best lots were steady.

One very choice lot brought 74.75. This was an exceptional lot, and weighed 1,350 pounds.

The general run for export was 74.50 to 74.60. Most of the export cattle were in fact bought up for butchering purposes.

Some calves in export cattle were handicapped by the fact that the steamer Lake O'Connell, which was to have sailed for St. John with cargoes on February 21, has been put into dry-dock at Liverpool.

She ran around of Newfoundland on her last trip to England, and damaged her cargo to such an extent that she will be laid up for three or four weeks, and local exporters with cattle bought are unable to get their shipping space.

Butchers' Cattle—The offerings of prime heaves were light, there was a good demand, and prices were higher at 43.00 to 44.00 for the best.

Stocks and Feeders—Were quiet. Sheep and lambs—There was a good demand, and all offered sold readily at good prices.

Hogs—Were easy at previous quotations, choice bacon bringing 55.00 and heavy and light fat 55.00.

Free—Gratis—For Nothing

YOU CANNOT LONG FOOL A WOMAN. When the white man wants the black man's land he approaches the innocent black with "presents" of beads, colored cloths, ribbons, and other useless trinkets that catch the eye of the poor black—but that are no earthly use to him.

Yet this system of conciliating the innocent is not practiced alone on the negro. How many women read that they can get a certain "present" with a certain purchase and forthwith they make the purchase to get the "present"—free—gratis—for nothing!!!

When you want a horse you cannot buy his teeth at ten cents a tooth, and get the horse thrown into the bargain.

When you buy a dress you do not buy the buttons, and have the dress thrown in.

And no more than you can thus get the present of a horse or a dress can you get a "present"—free—gratis—for nothing—of diamonds, gold, jewellery, and cutlery, with the purchase of a bar of common soap.

When you buy Sunlight Soap you are presented with pure quality in the soap itself. You do not pay for loading refuse at the price of soap.

You don't wear out your clothes in half the time, and ruin your hands with Sunlight Soap, as with common soap.

If you want soap, buy Sunlight Soap—Octagon Bar—and you have paid for nothing but pure soap. If you want something else than soap, buy it independently of the soap, and you know what it has cost you.

You may fool all the people some of the time. You cannot fool all the people all the time. You cannot long fool a woman. 615

THE LIBERAL LEADER AND THE IRISH IN AUSTRALIA.

In July of last year (says The Melbourne Advocate), the Adelaide Branch of the U. I. L. drafted a letter to Sir Henry Campbell-Bannerman, the leader of the Liberal Party in the House of Commons, congratulating him on the fact that while other so-called Liberals leaders had deserted their Home Rule faith he had remained constant to his political convictions and to the Irish cause.

Sir Henry Campbell-Bannerman, in his reply, says: "I received your expression of goodwill and sympathy with the greatest pleasure. As a confirmed believer in the policy of self-government, I rejoice that so important a body as yours, representing the large and energetic Irish element in the Australian community, should, with arguments so wise, and in language so temperate, urge the adoption of the only constitutional remedy that can be effectual in treating the disorder from which Ireland suffers.

You are deeply interested in all that concerns the happiness of your countrymen in the land of your origin; but you also have at heart the interest of the Empire, of which your Commonwealth is a most important part; you realize the advantage to the unity and strength of the Empire which a contented and reconciled Ireland would bring; and it is as loyal citizens of the Empire not less than as patriotic Irishmen that you urge this policy.

"For myself and on behalf of my fellow-Liberals who, through good report and through evil report, have stood by the Irish cause, I thank you for the notable assistance and encouragement you have given to us by the transmission of this document, and I most cordially reciprocate the friendly sentiments you express."

SAVED FROM THE GRAVE

What T. O. Marsh Says Dodd's Kidney Pills Did for Him

Story of a Nova Scotia Man who had Almost Given Up Hope of ever being Well Again. Central Economy, N. S., Feb. 16.—(Special).—"I feel as if Dodd's Kidney Pills had saved me from the grave," is the way T. O. Marsh, of this place, talks of those wonderful exterminators of the pains and aches arising from Diseased Kidneys. And Mr. Marsh should know whereof he speaks. He was under the doctor's care for Kidney Complaint for some time, and, despite their efforts, continued to grow worse. He was almost in despair when a friend advised him to use Dodd's Kidney Pills. In such a severe case the progress towards recovery was naturally slow, but he persevered, and now he feels justified in using the strong words quoted above. Mr. Marsh thus describes his case:

"I was under the doctor's care, but didn't seem to get any better, only worse. I was advised by a friend to use Dodd's Kidney Pills. After I had used them for a time I began to feel a difference, and I never stopped till I had used 22 boxes. I suppose I still have to use something as long as I live, but I feel as if Dodd's Kidney Pills had saved me from the grave."

"I have recommended Dodd's Kidney Pills to everyone because of what they have done for me."
