success, they remain to-day the world's leading dairy machine.

THE DE LAVAL SEPARATOR CO., 77 York St., Toronto.

The ironing of black goods requires particular care and particular starch—common starch gives a rusty appearance to the fabric and leaves it streaked with white. Celluloid Starch gives a glossy stiffness and preserves the solid blackness. 'Use two tablespoonfuls to a quart of cold water and add a little boiling water to clear it. or mourning goods, skirts, delicate laces, etc., the results will be excellent. Ask your Geocer for

## Tolton's No. 1 Double ROOT CUTTER

POINTS OF MERIT

To change from pulping to slicing is but the work of a moment.

There are two separate wheels, one for pulping and the other for slicing.

The united force of both wheels is always used in doing the work in either capacity.

The hopper is between the wheels, and does not

The Only Double Root Cutter Manufactured. Fitted with Roller Bearings, Steel Shafting, and all that is latest and best in principle, material and construction.
