

"There aren't many engines I'd trust him with, but the Alpha is so simple that I know he can't go wrong."

Isn't that the kind of engine you want around *your* place—an engine that is as steady and dependable as the best horse you've got?

The Alpha doesn't have to be "tuned up" every time you want to run it. It contains no electric batteries to weaken and give trouble—no complicated parts to get out of order. To start it you simply oil it, turn on the fuel and give the flywheel a pull.

You need a gas engine and it pays to buy a good one. There are definite reasons why the Alpha is best.

Alpha Gas Engines are made in eleven sizes, 2 to 28 H. P., and each size is furnished in stationary, semi-portable, or portable style, with hopper or tank-cooled cylinder.

Honoring the Brave!

IN THESE days of supreme sacrifice, when men are doing and daring and dying for our national ideals—when even those who stay at home are making undreamed-of efforts for the Empire's weal—a lasting memorial is sought to perpetuate the memory of those brave men whose answer to the call of duty has meant the surrender of their lives.

In the making of memorial tablets, the Dennis Company brings to the task a wealth of art-knowledge, a store of experience, and a sense of the fitness of things peculiarly valuable when dealing with this delicate subject.

Write for full information and estimates on brass or bronze memorial tablets, shields, church furniture, etc., to

!! YOUNG MEN ON THE FARM !! !! WHO CANNOT GO TO WAR !!

Canada Must Have Greater Agricultural Production.

Canada Needs Men Trained in the Best Agricultural Practices.

You will be of greater value to your country and to yourself if you acquire all available information regarding your business as a farmer.

You can obtain this information during the fall and winter months at the

Ontario Agricultural College, Guelph

The College Term.—The college opens September 21st and closes April 12th. This is convenient for most farm boys, as the hardest work of the summer is completed before the commencement of the term, and students can return to their homes for the spring seeding.

Courses.—The **Two-Year Course** is particularly designed for young men intending to be good, practical farmers. It includes studies which are of practical value in all the work of the farm. The **Four-Year Course** for the degree of B.S.A. is a two-year continuation of the two-year course.

Expenses.—In order to encourage young men to attend the college, the fees are fixed at the lowest possible figure.

Board \$4.00 per week.

Tuition Fee \$20.00 per year.

Public school education is sufficient for admission.

College Opens September 21st

Write for a calendar giving full particulars.
