JULY 1, 1920 THE FARMER'S ADVOCATE,

We Train Workmen Specially in our En-ar-co School

for the scientific production of

Scientific processes of refining, developed during 35 years of experience and testing in the En-ar-co laboratories, are not entrusted to "green" hands when it comes to manufacture.

Trained Workmen

who have passed strict examinations in our special school, are employed in the production of En-ar-co Motor Oil.

This ensures a uniformity of quality that makes En-ar-co Motor Oil absolutely dependable. It never varies: every barrel is the same.

What This Means to the **Farmer**

Scientific refining has made En-ar-co Motor Oil a perfect lubricant for your tractor, car, truck, stationary or other farm engine. And perfect lubrication means more power and longer life for the engine.

/ CANADIAN

OIL

No clogging deposits can form when you use En-ar-co Motor Oil. It coats all moving parts with a smooth, velvety film, that will withstand pressure and remove fricton.

COMPANIES, LIMITED 1499 Excelsion Life Building. Toronto, Ontario and quote prices on items marked I use.....gals. Gasoline per yr. I use gals. Motor Oil per yr. I usegals. Kerosene per year.
