

FARMERS!

THOUSANDS OF DOLLARS LOST

ARE YOU PROTECTED BY

FAIRBANKS SCALES?

Thousands of dollars lost every year by guessing weights. Think of it—enough money wasted on most farms in twenty years to pay for the land. No wonder some farmers don't get ahead as fast as they should, when they are being held down by such a loss, and yet the remedy is simple and sure, and within reach of every farmer. Are you protected by **Fairbanks Scales**? They soon save enough to pay for themselves, and then follow years of saving which is clear gain. They are a permanent investment—not something that has to be replaced every little while. Every scale is tested at each of the four corners of the platform before it leaves the factory. Each corner must weigh just its share—no more—no less. Enjoy the satisfaction of knowing whether or not the scales of the buyer tally with your "home weights." The value of this protection each year is equivalent to its total cost. Cut out complete advertisement and write for free Scale Catalogue.
