## Sheep Wanted

Attention is called to an article appearing elsewhere in this issue on  
the sheep situation under the heading of "Bulk of Wool may go to  
Boston." From this it will be seen that there is every inducement for  
more farmers to go into more sheep raising. This, in turn, will reflect  
itself on the demand for breeding rams and ewes.

The Guide's Farmers' Market Place offers an economical means for  
sheep breeders to list their offerings for the attention of farmers who  
will be buying breeding stock. The following letters will give an idea  
of the service The Guide renders in advertising of this kind:

Bethany, Man.  
I think it is only fair to let you know that the advertising  
I have done in your paper has always brought good results.  
It is undoubtedly the best advertising medium in Western  
Canada.

JAMES M. EWENS.

Hartney, Man.  
Please discontinue my ad. on Oxford Down Ram Lambs as  
I am all out of Ram Lambs, thanks to The Guide for its  
good returns.

T. A. SOMERVILLE.

Send in your advertisement today, together with remittance for the  
number of insertions you desire.

The Rate is Economical—Five Cents per Word.
