Rippling Rhymes

By Walt Mason

gine Works, Brantford.

KEEPING IN TRIM. If we expect to do our bit, must be sure we're feeling fit. The years ahead look pretty fierce, so far as our weak eyes can pierce. We'll have to strain our every nerve, if we aspire to help and serve, if we would aid our boys to shoot the horbetter business than ever before. The best stock at reasonable prices makes our agencies very valuable.

We went now satesiness are doing a rid Hun, the tiresome Teut. So it's unwise to say, "Oh, chee, there's no vacation billed for me! I'll have to work and break my neck and spoil terday, report that there has every unrepresented district to sell suspenders by the neck, that I may earn some good long green, and queer a German submarine." Far better to forget the war, and all the boons we're struggling for, a week or two, when summer's here while the French are fairly well and breathe the mountain atmosphere, exploring woods and crystal caves, or loafing by the sad sea waves. We will not win the war. I wot. if we're all jaded, tired and hot; Rhine towns, the Germans hoping we have to keep ourselves in shape, thus, an officer member of the party if we would hand the kaiser crape. said, to cause a cessation of the I'm going fishing pretty soon, and doubtless folks will say, "Gee mans were exposing the lives of bot whiz! A hard and calloused soul is Allied officers and men by concer his! While we stay here to earn trating them near ammu the mon with which we hope to

British Airmen Have Done Splendi

Work In Palestine.

tine can look back upon their record difficulties were faced with stout spirit surmounted them. It has been one long test of courage, endurance, \$2,400-Ontario St., 3-piece bath, etc; and efficiency, and so triumphantly ordeal that Gen. Allenby's army may truthfully be said to have secured as complete a mastery of the air as it has of the plains and hills of Southern Palestine. One cannot refer to the whole of the work of the air service, because while most of it is done in the light of day a good deal of it is secret, but those of us who on' from the time when their airplanes were inferior to those of the Barn and extra lot, Alice St. Germans in speed, climbing capacity, The Realty Exchange R SALE—House gas and electric light. Apply 142 Pearl Als and other qualities, which go to make up first-class fighting machines, till the position to-day, when few enemy Bell Phone 200. aviators dare cross our lines, can speak of the wonderful advance our

> ing Corps accounted for eleven airplanes in January, five of these falling victims to one pilot. The last of these victories I witnessed. In a single-seater the pilot engaged two two-seater airplanes of a late type, driving down one machine within our lines, the pilot killed by eleven bullets, and the observer wounded. convenience and garage, good locations, the pilot killed by eleven bullets, and the observer wounded. He then chased the other plane, whose pilot soon lost his taste for fighting, dropped into a heavy cloud bank, and get away. No odds are too big for our airmen. I have seen one airplane swoop down out of the blue to attack a formation of six enemy machines, sending one crashing to earth and dispersing the remainder. In one brief fight another pilot drove down brief fight another pilot drove down three German planes, while on four recent occasions a pilot had forced down machines almost to the ground away from enemy airdromes. airman does not talk of his work, and we know what we see are but fragments in the silent records of great things done. Much that is accomplished is far beyond our visual range high up over the bleak hills of Judea, above even the rain clouds driven across the heights by the fury of a winter gale, or skimming across the dull surface of the Dead Sea, flying some hundreds of feet below sea level to interrupt the passage of

in need.

All through the army's rapic. march northward from the crushed Gaza-Beersheba line the airmen's un- six rooms. tiring work was one of infinite value. And before Beersheba fell the patrol work was so effective that though it was impossible to prevent the enemy hawk St., five rooms. from crossing the lines, only one machine succeeded in penetrating the area from which he could see the \$2,800—For Two-Store on Eagle Ave. A snap. the town, and this was brought down, and the pilot and observer prevented from carrying information of the had got back the enemy would not have mistaken our intentions at Beersheba. When the Turkish re treat began the enemy was bombed and machine-gunned for a full week, the railway, airdromes, troops on the march, artillery, and transport being airplanes and a large quantity of aircraft stores of every description were found at Menshiyer alone. The raid on that airdrome was so that at night the Turks burnt the whole of the equipment not destroy-ed by bombs. Three machines were also destroyed by us at El Tineh, five at Ramleh, and one at Ludd, and the protection of our arms airmen haous En-L 14tf bombs and machine guns. The wind was strong, but defying treacherous valleys between steep-sloped hills and caught the Turks on the Nablus road, emptying their bomb racks at the height of a few hundred feet, and giving the scattered troops machine-

gun fire on their return. INCREASING VIGOR.

By Courier Leased Wire. Geneva, Switzerland, Sunday, June 9.—Eight French soldiers who escaped from Camp Wisburg, near Mannheim, and arrived here yesincreasing vigor during the last camps" in Germany. The British treated. The treatment; the escaped severe after each air raid on the

This officer added that the Ger mans were exposing the lives of both tories likely to be attacked. spoil the Hun, while we stay here to sweat and cook, he goes a-fishing our own bombs rather than give in. in the brook!" But I'll come back Let the raids continue.
