E. J. BISHOP Kentville, N. S.

The Official Moving Pictures of the Canadians at Vimy Ridge which are to be shown at the Nicklet Theatre, on Wednesday and Thursday October 17th and 18th, bears the stamp of approval of our own Minister of Militia

Aug 24th, 1917. I would be glad if every man and woman in Canada were to see these pictures—the most vividly interesting series that has yet come from the war zone. They cannot fail to be a source of inspiration to all who see them, illustrating as they do the unfailing cheerfulness, the indomitable spirit and the resourcefulness of our Canadian soldiers in all the difficult and trying conditions of modern warfare.

A. E. King
Minister of Militia and Defence.

Mrs. Frank Morgan of Woburn, Mass., announces the engagement of her sister, Mary Grace Wallace of Newton formerly of Avonport, N.S., daughter of Mr. E. L. Wallace, to Walter Abbott Bailey of Woburn, son of Mr. E. T. Bailey of the Bay State Saw and Tool plant at Winchester, Mass. Mr. Bailey is associated with his father in this business.

Mr. R. E. McLatchey of Boston gave us a call this week. He had just arrived here accompanied by Col. A. H. Austin and J. Murray Walker both of Boston. They came to St. John in Mr. Walker's fine Fiat auto, probably the largest car ever seen here in Nova Scotia. The party came across to Digby and were proceeding on their way to Grand Pre and on to Halifax. Mr. McLatchey reported our roads from Digby as being much better than the "N. B." roads from the Maine border.
