

**QUAKER JOE.**

(Crawf. Slack.)

I wonder if the old-time friends which I knew years ago were better than the folks are now—or do I just think so?

Well! This I know for certain, that in yester years ago, folks didn't seem so selfish, did not live for self alone.

The Christian deeds of charity, 'way back in Farmersville, To think of through declining years is joy and pleasure still.

How often in the memory I live back in seventy-nine, Among those quaint old-fashioned folk with precept so divine; There's the home-cot of my mother, with its comforts and its joys, And there the creek, the water-mill, where I played with the boys; I can see the kind old miller with his hair as white as snow, Who was known throughout the district as "Good Old Quaker Joe."

I can see him at the mill door, with weeds a-setting round, As we listened to his counsel, interesting, though profound; Counsel based on truth and wisdom, which we took not serious then, Which in after years, I'm certain, served to make us better men. He did not touch of war or strife, nor what the sump might yield, But this: the doctrine of good-will for all mankind afield.

He was a pure to poverty, a solace to the sad, His heart bespake the hand to give the Bible that it had; Even his faults were virtues, he to faults in others blind, It is heartening and gladdening to remember one so kind; Away back there to Farmersville I wish that I could go And live again with real folks like Grandad Quaker Joe.

You would never hear him boasting about his Quaker creed, But he seemed always looking for humanity in need; As I've wandered 'round the country I have found friends kind and true, But self-denying friends as he, I've also found are few; There's reality in religion, though it may have doubting foes, But it wouldn't so many if there were more Quaker Joes.

**Interscholastic Rugby**

Once again the local rugby team has met defeat in the interscholastic league, meeting the Perth Collegiate team on Saturday, Nov. 1st, at Perth, the game proved fast and interesting.

In the beginning of the game Athens chose the kick-off, and Perth had the wind in their favor. By line plunges and forward runs the Perth boys succeeded in bringing the ball near the Athens goal line, and in a few minutes scored for 5 points.

In the second quarter Athens succeeded in holding their opponents well, and at half time the score stood 7-0 in favor of Perth. Toward the close of the third quarter Perth again crossed the local goal line for 5 points. Our boys were now on the defensive and were playing desperately to hold the score as low as possible, but owing to greater weight and speed of some of the opposing players, toward the close of the fourth quarter the Perth boys again crossed the Athens goal line. The game closed soon after, the final score being 18-0 in favor of Perth. So far Perth has not met a defeat, beating Smiths Falls and Brockville in both games. Smiths Falls will play here on Nov. 8th.

The line-up was as follows:—  
Athens—Snap, Hanna; insides, Fair, Hollingsworth; middles, Mainse, Tennant; p. wing, Holmes; l. wing, Hall; flying wing, McFadden; quarterback, Johnston; halves, Beale, Russel; fullback, Layng; spare, Rahmer.

Perth—Snap, Duncan; insides, Cooper, Mulholland; middles, McDonald, Stacey; wings, McLaren, Fredenburgh; flying wing, F. Dickson; quarterback, Lapointe; halves, Free, Clement; fullback, G. Dickson; spares, Campbell, Wilson, Patterson, King.

The league standing is given below. Brockville and Athens are still tied for last place, Smiths Falls having defeated Brockville 10-9 at Smiths Falls on Saturday.

Team	Won	Lost	Tied
Perth	3	0	0
Smiths Falls	2	1	0
Athens	0	2	1
Brockville	0	2	1

**Meeting of Alumni Association**

The third annual meeting of the Athens High School Alumni Society was held on the above date in the Town Hall, Athens.

The meeting was opened at 8.15 by the president, Mr. J. D. Johnson, with about 65 students and members of the society present. A hearty welcome was extended by the president to those present, among whom were Drs. O'Connor and Nash, of Kingston. The minutes of the last annual meeting were read and adopted. The secretary, Mr. S. C. A. Lamb, then submitted the annual report of the year just ended, which was greatly appreciated and put on file. The treasurer presented the annual financial statement, which was readily approved and accepted. The report showed a balance on hand in the equipment fund of \$1,914.23.

The president gave a very interesting address, touching upon the erection of the new High School, which is now under way, which was very gratifying, especially as at the last meeting the rebuilding of the High School was considered somewhat doubtful.

Moved by Mr. M. C. Arnold, seconded by Dr. Bracken, that the account presented by the secretary, amounting to \$20.50, be paid.—Carried.

The election of officers followed, when the same officers were re-elected for the ensuing year. With Mr. H. H. Arnold in the chair.

Dr. Nash then gave a very interesting and humorous address, sketching his boyhood days and attendance at the Athens High School. He thought \$10,000 would be ample funds for the association to raise, and felt that this amount would be forthcoming with very little effort from the members, of which there were about 2,100 names enrolled.

Dr. O'Connor, who received his diploma from the Athens High School, October, 1893, then gave a very instructive and inspiring address. He suggested that the members be organized, drawing to their attention the amount required to fulfill the purpose of the association in equipping the new school, and that each member be advised as to the individual donations required to meet the objective, i.e., \$10,000, as it appeared that a good many were withholding their contributions, being in doubt as to the appropriate sum desired. He very ably showed his appreciation of the education and training he received while attending school in Athens, where he was well equipped to start out into the world for his livelihood.

The Rev. H. E. Warren, also an ex-student, who has been absent from this district for a number of years, but recently appointed to the important position of clergyman of the local Methodist church, expressed his enthusiasm in being once again among his old friends and school-day associates, and took much pleasure in moving a vote of thanks to the two distinguished guests of the meeting—Drs. Nash and O'Connor, of Kingston, which was seconded by Mr. W. G. Parish.

During the evening these present were treated to a musical selection very ably rendered by Miss H. de Renzy, at the piano, and Mrs. S. C. A. Lamb, vocalist, accompanied by Miss Kathleen Taylor, after which refreshments were served by the ladies. The meeting adjourned at 11.30 p.m.

Officers elected for 1924-1925:—  
Hon. Presidents—Miss Edith Giles, Brockville, and A. E. Donovan, Toronto.

**Presentation and Address**

On the evening of Thursday October 30th members of Athens Methodist Church Choir and friends to the number of about forty assembled at the home of Mrs. M. E. Derbyshire on Henry St. to pay a farewell visit on the eve of Mrs. Derbyshire's removal from Athens. The time passed rapidly in social intercourse enlivened with several excellently rendered piano sections, and vocal solos.

After the serving of dainty refreshments an address was read by Reeve M. B. Holmes and presentation made by Mrs. Clara Chant.

Following is the address:—  
Mrs. M. E. Derbyshire:—  
Assembled in your beautiful home, on this occasion, Members of the Methodist Church Choir and friends wish to give expression to thoughts which crowd in at this time.

For years it has been our privilege to know your household in genial friendship, and we do not forget that when the laugh was merriest your presence added pleasure to the occasion while on the other hand when sorrow visited our homes your words of consolation and sympathy invariably made the sorrow lighter.

Co-incident with this your influence as organist and director of music and singing has been decidedly uplifting and helpful to us and to the Community at large, and you have given us insight of your time and assistance in the various departments of work in the church.

Learning, however, that you contemplate removing (temporarily we hope) from Athens, we your friends assembled would beg your acceptance of this "Gold Crest and maple leaf set with pearls" as a slight token of the high regard and esteem in which you are held.

We would respectfully call your attention to that which is depicted in this "Gold Souvenir," and which has had full exemplification in your many excellencies in person and life in our midst, and which we trust will be manifest and have its culmination in the coming years;

Note:—The "Maple Leaf" the emblem held dear by one and all; the "Crescent" fashioned after the luminary of the night which continues and increases in its dignity and influence until lost in the glory of the mid-day sun. The setting of "Pearls" tell of your helpful and kindly acts along life's pathway.

We read this as stated and apply it to your life in our midst, and we trust that the coming years may have much of happiness and good for you.

"That the nights shall be filled with music,  
And the cares that infest the day  
Shall fold their tents like the Arabs  
And as silently steal away."

Signed on behalf of Athens Friends,  
M. B. HOLMES.  
Athens, October 30, 1924.

Mrs. Derbyshire was taken entirely by surprise and was visibly affected but replied in terms of high appreciation with well-chosen words, and in concluding expressed the hope that she might some time again take up residence in Athens.

Rev. H. E. Warren (Pastor) and others spoke eulogistically of Mrs. Derbyshire's beneficent life and service in Athens and the event was brought to a close at "high twelve o'clock" by singing "Auld Lang Syne."
