Systematic Giving. A PAPER READ BY MISS IRISH FITCH, AT A RECENT MEETING OF THE WOLFFVILLE W. C. T. U.

What is systematic giving? It is the first question which arises in our minds, and the answer follows: It is the giving of the tenth or tythe. Is it? Let us look into this question.

It is not plain that the tenth is the Lord's, and that we cannot give that which does not belong to us.

Nothing should be said then about giving until what we owe is paid. Nay, do we not rob God when we fail to pay our tenth? Listen to the prophet in Malachi 3:8.

Seldom in his "History of Tythes" states that the Arabian by law requires every merchant to offer a tenth of his frankincense to the priests for their God.

The learned historian Grotius says that from the most ancient ages a tenth has been regarded as the portion due to God, and that the evidences of this fact are to be found in both Greek and Latin histories.

Just another important thought for the ladies. It takes from two to three packages of the common imitation dyes to do the work that one single package of the Diamond Dyes will do.

Just think of having to spend thirty cents for adulterated dyes for your work, that can be better done by the Diamond Dyes at a cost of ten cents.

Most people have aversions of some kind or other, and some very strange ones. The sight of a set of false teeth makes John L. Sullivan sick at the stomach.

Our Lord in the Gospel, speaking to the Pharisees of the payment of tythes says: "These ought ye to have done and not to leave the other undone."

Surely these witnesses, both from the history of the nations, prove conclusively that the tenth of one's income is not a gift but a debt.

The New Year.

How You May Feel Happier and Better Than in the Past.

Paine's Celery Compound Will Enable You to Thoroughly Enjoy Life.

Act Promptly and Your Fondest Desires Will Be Realized.

Many of our readers can truthfully confess that the year just gone by was to them a period of pain, suffering, anxiety, disappointment and wretchedness.

Those of our readers who were unhappy last year may this year throw off their burdens and anxieties, if they use Paine's Celery Compound—that contributed to the happiness of so many thousands in past years.

There is no necessity here to enlarge on what Paine's Celery Compound has done or is doing at the present time.

Every day it is making well rheumatic, neuralgic, dyspeptic and sleepless mortals, and giving new life to those afflicted with kidney, liver and blood diseases.

All classes unite in praising and recommending Paine's Celery Compound as the most effective of medicines.

Those more physicians know of it, the more do they earnestly recommend it for the sick.

If you would be well, happy and vigorous all this year, begin at once with nature's healer and life-giver.

It is not generally known here, says a London paper, where artists' works are more familiar than their faces, that George Du Maurier and Laurence Alma Tadema resembled one another to an amazing degree.

A young lady who prided herself that she had no difficulty in determining which was which, finding herself once seated next to Du Maurier, remarked: "I cannot imagine how any one can mistake you for Mr. Tadema. To me the likeness is very slight."

By the way, I have a photograph of you. Do be so good as to put your autograph to it."

Du Maurier, assenting graciously, the photograph was produced. He looked at it, sighed and very gently laid it on the table.

"That," he remarked, "is a portrait of Mr. Alma Tadema."

Sterling Value and Full Strength in Diamond Dyes.

Sixteen ounces of silver, for the coinage of \$18.00 in silver dollars, can be bought to-day for \$9.94.

Think well of the true value of the silver dollar if its coinage were made free and unlimited.

A PEDLAR'S EXPERIENCE.

Illness Brought Him Almost to the Verge of the Grave.

Pale and Emaciated, Suffering From Excruciating Pains in the Back, Life Became a Burden and Death Was Thought To Be Not Far Off.

From the St. Catherine's Journal. It is a curious pathological fact that special complaint has sometimes actually been mistaken for Bright's disease, and there is no doubt many have been maltreated for Bright's disease, when spinal trouble was the real malady.

Geo. T. Smith, pedlar, of St. Catherine's, is one who thus suffered. His narrative is as follows:—"In the fall of 1894 I began to experience alarming symptoms of what I thought to be spinal trouble. I resorted to lotions, plasters and other remedies, but to no avail, as I continued to grow worse.

At this point my friends advised the services of a physician, which I gladly submitted to. The professional man made a minute examination, and pronounced mine a case of Bright's disease, which quite naturally gave me a severe shock, as I deemed the death sentence had been passed upon me.

The doctor said he could alleviate my suffering, but remarked that it would only be a question of time with me. However, I accepted his medicine, and took it according to directions with no beneficial results.

In the meantime a friend procured a remedy said to be a cure for Bright's disease. This medicine I took, but with no effect whatever. Ten months had passed away and I had become so haggard, emaciated, stooped and miserable that my friends had difficulty in recognizing me. In fact they, like myself, harbored the most painful apprehensions.

At this juncture an aunt came to visit me, and strongly advised me to try Dr. Williams' Pink Pills. Like a drowning man reaching for a straw I did so. To my great surprise I soon noticed an improvement, the pain in my back began to leave, my appetite improved, my color returned, and by the time I had used eight boxes not an ache or pain remained, and I am as able to travel about to-day as previous to the attack. I know that I owe my restoration to Dr. Williams' Pink Pills, and I urge those ill or suffering to give them a trial.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to pale and sallow cheeks.

Men broken down by overwork, worry or excess, will find in Pink Pills a certain cure. Sold by all dealers, or sent by mail post-paid, at 50c. a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."

Three Tests for Mankind. Call no man your friend, a wise girl once said to me, until you have made him angry, seen him hungry and caused him to miss a train and wait three-quarters of an hour at a railway station.

If a man is nice and thoroughly and completely a gentleman one never knows how low nice he is until one has seen him hungry, and yet not ridiculous, or spiteful, or vulgar.

Another girl I know once kept her fiancé waiting an hour and a half for his dinner. He met her with a smile. Were you trying to find out whether I shall be a patient husband or not? he said, and that was all. She did not marry him. She said she was quite sure that a man who restrained himself so unreasonably before marriage would make up for it proportionately afterward and reminded me of William the Conqueror's love story. Do you know it? He was quite an unimportant person at the time and was on a visit to Matilda's father who was a very great man. Matilda thought very little of him and snubbed him when he made love to her. One day she irritated him so much that he slapped her face. She instantly agreed to marry him. She said she was quite sure that a man who restrained himself so unreasonably before marriage would make up for it proportionately afterward and reminded me of William the Conqueror's love story.
