WOLFVILLE HARDWARE & STOVE STORE

Myrtle-Harder Co. Guarantees Attractions.

'Salomy Jane' by Paul Armstrong, Eleanor Robson's starring vehicle, will be the opening production of the Myrtle-Harder Company at the Opera House next week. This organization comes heralded as positively the most pretentious attraction on the road at popular prices. The plays have been most carefully selected and each one of its productions has been a New York Broadway success at \$2.00 top prices, and by Mr. Harder paying large royalties to Charles Froeman, Lieber & Co., Sam and Lee Shubert, Cobart & Harris these large producing managers have consented to permit their plays for the first time to be presented at popular prices.

'John Ganton' is a great American play, rich in incident, hearty in humor, full flowing in a broad current of actual life and events, and was running in New York at the Lyric Theatre the same time as 'The Witching Hour,' 'Gentleman from Mississippi,' 'Music Master' and other great successes, and without making comparisons, which are odious at all times. 'The Great John Ganton' outlived them all (with probably one exception.) The play is human and right up to the modern stage writing, not a character is over drawn, but scenes are taken right from life. The Stock Yards, the plotting, the stock exchange, the ruining of men; Capital fighting Labor and in the midst of all this comes a pretty story with such a great moral lesson, that it grips the audience like a vice. Good books, good sermons, and good plays all walk hand in hand and teaches as well as entertains, and this you get in 'The Great John Ganton' at Opera House next week, presented by Myrtle-Harder Company.

Bonafide Endorsement.—Myrtle-Harder Co. is positively the best company playing Halifax in years. (signed) J. P. O'Connell, Mgr. Academy Music, Halifax. The dramatic treat of the season, (signed) D. MacDonald, Mgr. St. John Opera House.

'A Scrap of Paper.'

Tuesday of this week was 'theatre night' at Acadia, when Gordon's comedy, 'A Scrap of Paper', was presented by the students under the auspices of the Athletic Association. The play was given under the personal direction of Miss Annah H. Reuk, the efficient teacher of elocution at Acadia Seminary, and reflected the greatest credit upon all who took part. The cast of characters was as follows:

Prosper Courmont, H. H. Pisso, '12 Baron de la Glaciere, W. P. Potter, '12 Brisenouche, Nottrelain.

Anatole, his ward, R. H. Haley, '13 Baptiste, servant, A. G. Hirtle, '13 Francois, servant of Prosper.

R. G. Clerk, '13 Louise de la Glaciere, Alice Harold, '13 Mile. Suzanne de Ruseville, her cousin, Fraudeuse Gilroy, '12 Mathilde, sister to Louise.

Myrtle Van Wert, '13 Mile. Zenobie, sister to Brisenouche. Jean McGregor, '12 Madame Dupont, housekeeper.

Mary Marsters, '12 The parts were all well acted, costumes good and the stage arrangement well carried out. The mass singing by the students was an interesting feature and was much enjoyed, as was the music by the orchestra and the selections by the quartette, under the direction of Prof. Coit.

I would not be without them in the house.' The Tablets are sold by medicine dealers or by mail at 25 cents a box from Dr. Williams' Medicine Co., Brockville, Ont.

Horse News.

Mr. E. W. Rand, of Canisig, was in town on Wednesday and was driving a very handsome four year old stallion by Woronoco. He is a dark brown in color, weighing something like 100 pounds, of beautiful carriage and gaited for speed. His dam was also the dam of Frank Power, a 22 and of C. P. R., 2 25.

Mr. Fred Thomas, of Canisig, sold to a Yarmouth M. P. P. his four year old bay gelding, by Woronoco, price \$300. This young horse is the finest looking, best gaited, and latest walking young carriage horse we have seen in town for years—16 hands high, weighing 1100 pounds and a stepper.

Mr. George Wood, of Woodville, has a four old pacer by Upper Dyke, a 20, that we learn is exceedingly fast and promising.

Mr. Albert Bennett, of Rust Hall's Harbor, has a five year old pacing filly, by Woronoco, that is the fastest young pacing mare sired in the country. She was up against the best this winter on the ice, and was able to turn down all comers with perfect ease.
