The Boy Scouts.

The boys were greatly disappointed by the unfavorable weather on Saturday and hope for better luck on Tuesday, June 3rd, when the tournament will be held. All who have not purchased program-tickets are requested to do so at once.

It is probable that two additional boys will be represented at the tournament on Tuesday. They are the Industrial School and Halifax Y. M. C. A.

There will be no meetings on Friday evening, and Saturday of this week, but the various teams are expected to get all the practice they can.

The thanks of the Scouts are due to Colonel Parsons for 2000 rounds of ammunition for the 22 rifle. This will give the boys much pleasure and enable them to improve their shooting.

HERE IS GOOD ADVICE TO TAKE

It will help those who have Money and Bladder Trouble. There are other "old enemies" to the one mentioned in this journal. Kidney and Bladder troubles are always enemies to good health. As soon as you start to take GIMMEL'S, these ailments begin to disappear. It is the same in cases of Lumbago, Sciatica and like complaints. Our illustrations the benefit of GIMMEL'S.

Winnipeg, Jan. 6th. I have been a sufferer from Lumbago for two years past and during Christmas week had a very acute attack which kept me in the house. About the first part of April, I met your Mr. Hill who advised me to take GIMMEL'S. I have been taking them at intervals during the early part of the present winter, and up to date have had no return of my old trouble - in fact, I feel better than I have for years and think that my old enemy has vanished for good and all. H. A. JUKES.

Spencer prize for ministerial student who was on mission field during summer, who made highest average in Freshman or Sophomore year, W. S. Ryder; H. T. Read many prizes, Miss Myrtle Van Wert; Freeport scholarship for student from Freeport making highest standing in Freshman year, H. Crocker.

The concluding event of another year was a meeting in College Hall on Wednesday evening at which addresses were delivered by President McKenzie of Dalhousie, Principal Sexton of the Nova Scotia Technical College, Principal Solon of the Provincial Normal School. Historical addresses on the early life of the university were delivered by several speakers and greetings from friends of the university all over the Dominion were read.

Opera House. "Zani" has been chosen for the opera which will be sung by invited artists of the Boston Opera Company on their visit to Wolfville on Thursday evening, June 27th, and Gougeon's classic will be supplemented by a superb concert program, including excerpts from such operas as "La Boheme," "Il Trovatore," "I Pagliacci," "Carmen," "Sausan at Delia," "Mazeppa," "The Merry Widow," "Rigoletto" and the magnificent sextette from "Lucia di Lammermoor."

As such a comprehensive program was "desired" upon as being much more enjoyed than the singing of an entire opera, the engagement here being limited to one night, it was decided to sing simply the complete second act from the opera, into which have been condensed the most beautiful arias from the entire work, and to proceed with the concert and ensemble numbers. The opera, of course, will be given with costumes and scenery.

This arrangement of the program has been found most satisfactory during the entire Post-Season Tour organized "To spread the gospel of Grand Opera." In the course of cities visited, there has been universal commendation of this policy from young and public.
