### USING SULPHUR

Sulphur may begiven to the molting hens occasionly, but it should never be used except in a dry season, as it will cause rheumatism and lameness in fowls and chicks that are allowed it just as a wet spell approaches. To the indiscriminate use of sulphur may be attributed many cases of leg weakness which cannot be otherwise explained.

#### THE HOUSEKEEPER'S CREED.

I believe that my chief duty toward my husband and myself, my on and my daughter, man-servant and maid servant, and the stranger within my gate, is to provide comfortable, springy, lavender-sheeted beds; secondly, soft, deep, so the roomy, high-backed chairs; thirty, broad, unobtrusively legged tables to eat from; and, lastly, more divan pillows and footstools than my worst-bored guest could ever possibly find time to count. I believe these things will do more to prevent family jars than all the blue bows and moral texts in Christendom .- Illustrated Ameri-
