

NEW YEAR'S DAY SPORTS

Quiet in Hamilton Because There Was No Ice.

THE ST. LAWRENCE ROAD RACE.

Wm. Melody Won it With Harry Smith Second—Joe Capron Wins First Prize in the Billiard Tournament—Weller Two Laps Ahead in the Bicycle Race—Sports in General.

Crowds numbering away up in the thousands were out yesterday to see the New Year road race run by the St. Lawrence Athletic Club. The course was from the crossing opposite St. Lawrence Church, corner of Mary and Ferris streets, along Ferris street to James street, on James to Barton, along Barton to the H. J. C., and return over the same course. All of the seven men entered faced the starter. They were William Covens, John Mulvihill, J. Markie, James Wilmot, Harry Smith, William Melody and P. Burns. The start was made exactly at 3 o'clock. B. B. House officiating. Smith, Burns and Melody were the favorites. The three and a quarter miles to the Jockey Club was made by Melody in 24 minutes and the same number was finished making the return journey in 20 minutes 30 seconds. Only three finished, and their times were:

Wm. Melody 41:20 Harry Smith 42:25 Wm. Covens 44:50 Melody and Smith both ran well.

NO NEW YEAR CURLING.

Although matches have been curling on ice that was worse than that which could have been had, because of the Thistle rinks yesterday, there was no curling. The Canadian vs. Old Country match was set for the day, but the two rinks on which there was ice were not sufficient to allow of its being played.

OH, FOR FROST!

The Victoria Hockey Club members are hoping almost against hope for ice for Monday, when they are to meet the Paris team in an exhibition match to open the new rink. The soft weather has destroyed what ice there was early in the week, and unless frost comes again it will be hardly possible to play the game.

A CHAMPIONSHIP MATCH.

Winnipeg, Jan. 2.—For the district curling championship, the Winnipeg Thistles and Granites had a battle royal to-day. The Thistles won by 23 points.

BUFFALO OLYMPICS LOSE.

Niagara Falls, Jan. 2.—The hockey season opened here this evening with a game between the Olympics of Buffalo, and the local team, the latter winning by a score of 9-2. The Olympics are considered to be the best hockey players in Buffalo. The ice was not in the best of condition, but it would have taken more than good ice to make the visiting team win.

NIAGARA AND ST. KITT'S.

Niagara, Jan. 2.—An exhibition game of hockey was played here before a large crowd of spectators last evening between the Y. M. C. A. team of St. Catharines, of No. 2 subdivision of the Eastern League, and Niagara-on-the-Lake, Niagara Falls. The home team were easy winners by a score of 7 to 1.

SORE IN WINNIPEG.

The defeat of the Winnipeg hockey team in Wednesday night's match for the championship of Canada is being deplored by the supporters of the Winnipeg team are not as good sports as the players themselves. A despatch says that everyone there believes the Winnipeggers had the game won at the end of half-time had they then played a defence game instead of endeavouring to roll up a big score. Armitage admits he made a fatal error. He was over-confident. Armitage will never again appear on the ice. From now on he will train on Henley. It will be many a day till Winnipeg can put together a team equal to the defeated champions.

On the other hand the defeated players are proving themselves a good sport by giving the winners a right royal time. After the match the Victorians were banqueted by the losers, and were entertained by them yesterday. To-day the Montreal team has been engaged to play the Winnipeg Hockey Club, whose team they play this evening.

THE FIRST '97 CENTURY.

Buffalo, N. Y., Jan. 2.—The first century run of the season in this district was completed yesterday afternoon at 1:37 o'clock, when Wm. E. Faulkner, of the Press Cycling Club, arrived here from Erie, Pa., while the race was at midnight. Faulkner took the Leroy route, which proved a good one. Fred Christick, who left at the same time as Faulkner, but took the regular Erie route, did not arrive here until 9 o'clock last night.

WALLER ARRIVE LEADS.

Washington, Jan. 2.—The fifth day of the big international six-day bicycle race was attended by large crowds. There was no change in the relative positions of the men at the close. The leaders made approximately 148 miles yesterday, a greater distance than has been accomplished during any day of the contest. Lawson met with a fall just before the close last night, by which he lost five laps. The score at the close of the contest was: Waller, 730 miles 11 laps; Maddox, 730 miles 9 laps; Ashinger, 730 miles 2 laps; Hunter, 728 miles 8 laps; Lawson, 728 miles 6 laps; Foster, 727 miles 1 lap.

Eddie Bald rode a half mile in 1.04, breaking his record of 1.06. Tom Linton rode 25 miles and 1.64 yards on a 12-lap track, unaced, in one hour, making a new record.

THE FLOOR CAVED IN.

Rochester, Jan. 2.—Jack McDonough, formerly of St. Paul, and Jack Barty of Buffalo, were booked to go tonight, before the West Side Central Athletic Club on Thursday night, but the mill came to a sudden end in the sixth round, when Barty broke through the floor of the ring, and was badly injured that he could not continue the fight. Barty had the best of the sixth round, but Tommy Dixon, the referee, called the fight a draw.

TOMMY DIXON MATCHED.

Rochester, N. Y., Jan. 2.—Tommy Dixon, light-weight pugilist, is matched to meet Joe Young, of Buffalo, on the evening of Jan. 18th, before the Em-

THE REBEL RIVAL SHOT.

He is Said to Have Had a Canadian Mistress.

YANKEE MERCENARIES DROWNED.

Madrid, Dec. 31.—Rizal was shot at Manila to-day in the presence of an immense crowd. He was first sentenced under General Polavieja's new policy of vigorous repression and summary carrying out of sentence. General Polavieja absented himself during the execution. Great precautions were taken to prevent a popular demonstration. Rizal reconciled himself with the Church of Rome, and begged hard to be allowed to take part in a civil marriage with his Canadian mistress before he died. His request was, however, refused, as well as the petition of his relatives to be allowed to take charge of his body, lest the funeral be made a pretext for a demonstration.

FIFTY-ONE DROWNED.

Madrid, Jan. 1.—A special despatch from Havana to the Imperial says that 51 men, comprising the filibustering expedition, recently landed upon a desert key by the steamer "Three Friends," have been drowned. The men, were hastily put ashore in the barren island after the "Three Friends" had been pursued by Spanish gun boats, with which the filibustering expedition was in close proximity. The men were hurriedly put ashore and the cargo of arms, ammunition, provisions, etc., on board the steamer, was also landed with the men. The "Three Friends" was closely pursued by the Spanish war vessels, was compelled to put the men ashore on this barren island, or take them back to the main land. The men were in making an attempt to leave the island, the despatch says, that they were drowned. The despatch also says that 500 rifles, which the filibusters had with them, were lost in the sea.

NEW YEAR'S EVE.

Lots of Noise on the Streets When the Old Year Died.

The old year died hard. On account of the mildness of the weather hundreds of young men were on the principal streets on Thursday at midnight to bid farewell to the old year and usher in the new with shouts, music and the exploding of fireworks. The men played a steady game, but the Canadian managed to pull out with three left on his opponent's string. In the afternoon game, Sutton, of Toronto, beat Matthews for third place. The score was Sutton 260, Matthews 212. Both men played at 260. The two Canadians thus won first and third places among nine competitors.

ODDS AND ENDS OF SPORT.

The New York Hockey Club did not play in Toronto yesterday, being wired that there was no ice.

Racing at Iron Hill track, Maryland, closed on Thursday. The race at Barksdale track yesterday, and opened at the same place on Friday.

Charley Burns is now the sole owner of the trotting stallion General, having bought the interest of the Aikins and Plantinga estate, which had a half interest in the animal.

Windsor has organized a curling club and decided to affiliate with the Ontario Association.

Lewis G. Tewksbury will not send Robert J. to Australia for a race before the championship handicap performers of America and Australia. If a race is arranged at all, which is improbable, it must take place in America.

Jockey Caywood had his knee-cap fractured at New Orleans the other day when Farmer Leigh ran into the fence with him.

T. Powers, the lightweight jockey, who is under contract with R. Bradley, will probably go to England to ride for the London and Liverpool.

Boston, New York, Philadelphia, Pittsburgh and Chicago will oppose Sunday ball at the National League meeting, and the other seven clubs will favor it.

Jim Corbett says that he will begin training for his fight with Fitzsimmons about February 1st. His work will be done under the supervision of Jim McVey and Charlie White. The latter used to train Fitzsimmons.

D. J. Pulster, of New York, will send his swaback Tenny to Baurmeister as successor to imported stud who was purchased by James B. Hagan.

Prof. Alonzo Stagg, the famous college pitcher, who is now in charge of Athletics at Chicago University, has been engaged to handle the Carlisle Indian football team next season.

Messrs. Seagrave and Walker will likely adjust their difficulty and without resorting to court. It is understood that Mr. Seagrave takes back his thoroughbreds and Mr. Walker's claims for remuneration will be fairly dealt with.

J. A. R. Elliott, of Kansas City, and E. D. Fulford, of Utica, N. Y., shot a match for the title of champion trap shot of America at Dexter Park, I. yesterday. Each man shot at 100 birds, with a 50-yard rise, and a 50-yard boundary. The score was 94 to 90 in favor of Elliott.

Dan Stuart, it is said, will offer a purse of \$6,000 for a fight between Peter Maher and Tom Sharkey to a finish during the week of the proposed Corbett-Fitzsimmons mill.

Mayor Wrester, of Brooklyn, yesterday revoked the license of the Great-New York Athletic Club at Conny's Island on the strength of a report submitted by the police to the effect that the fight between Peter Maher and Steve O'Donnell, on December 25th, was a prize fight. The officials of the club say they will appeal to the courts.

Courtesy Kingsford has been asked to name three Toronto players to go to England with the Crescent-Lafayette Club of Brooklyn, and will like to recommend Lionel York, Kenneth Penker and Charles Foster.

Cruelty to Children.

London, Jan. 1.—The National Society for the Prevention of Cruelty to Children has issued statistics, showing the extent of the costly work in which it is engaged. It has interferred on behalf of 146,946 neglected and starved children, 47,075 assaulted and ill-treated children, 28,128 wretched little beggars and hawkers, 7,711 morally outraged children, and 5,467 sufferers in other ways. Ill-treatment ends in death in 1,229 cases. The total number of the children concerned is 232,217. The society states that it is still quite unequal to the extent of all the nation's little sufferers, because of its lack of sufficient funds.

QUEER ANTICS.

A "Holiness" Meeting at Which There Was a Performance.

Ottawa, Dec. 31.—The Convention of the Eborerites concluded its business last night. There was a "Holiness" meeting, when some exciting scenes were witnessed. When Rev. Mr. Hopper commenced to pray men jumped into the air with gleaming eyes, women screamed at the top of their voices, others prostrated themselves on their faces. Many fainted and some took fits. One lady lay across a chair and, with a piercing cry, dropped her head to the floor and threw her feet into the air. Some friends caught hold of her and prevented her from making any further exhibition. When one fell in a faint or was overcome by nervous prostration the leaders would surround him and thank God with the exclamation "God is working mightily among His children."
