Fun and Fancy. Words of Wisdom. runk, Pat I" "Phwat 'ad oi do trunk I" "Put your clothes in An me go naked I"

The post sings, 'In the Spring the ung man's fancy lightly turns to ouzhts of love,' but that's a mistase is fancy lightly terms to thoughts of w much he'll have to pay his tailor on count in order to get trusted for anoth-suit of database

"The say Charlie has married. Do one know his wife? Is she a woman of any intelligence? Is she well inform-it? "Well informed I. Well, I should by so. She has belonged to the yillage wing circle for ten years and mover insed a meeting."

ng on py.

hang on py." An old friend of Archbishop Whate-ley, who was with him at Oxford, went, after many years absence, to visit him at the palace, in Dublin. On entering the grounds he excide an old man dig-ging despite a pitiless storm of alset. "I shall venture to rebuke the Archbisphop for this,' said the visitor to himsel; 'he should show more consideration for his servants.' Presently, on going into the house, he found the decrept old digzer was the Archbishop himself. A little bright-speed boy, upon hearing

was the Archbishop himself. A little bright-grea boy, upon hearing his father read the story of Joan of Arc, was greatly moved by her sad trials; but when the part was reached where she was about to be burned to death at the stake, the poor little fellow could not contain himself any longer, but sobbing-ly clutched his parent's arm, and, with big tears tunning down his plump little chasks cried "Bat, ma-mana, wh-e

cheeks, cried 'But, pa-papa, wh-e ware the police?'. A gentlemen, wishing to obtain board for his wife and family in the country, was directed to a near-looking farmhouse how the an old farmer and his wife. A

 A corringi base to base of the sponse winds as made with weak 15 inches of sawdust burves the boards diag filed with aways to the corring in samd with weak 15 inches of sawdust burves the boards diag filed with aways to the corresponse to the corr church was croweded, and the recipient stood at the foot of the pulpit surround-d by the members of his family. A mind breathless silence the committee entered and marched up the aile, headed by the descent bearing the gift in his x-tanded arms. Ou reaching the pulpit s tand was made, but never a word came from the descent, down whese brow the perupiration rolled in great drops. He was in a dame, but a touch from one of the account from one of the account, and they be they shon the leadily never subject to the minister—'Mr. Broon, here's the goon.' H you suffer from pain in the region of the aboulders, headene, irregular bow position, and he stammered out, as he handed the robe to the minister—'Mr. Broon, here's the gooh.'
Freef Festive.
If you suffer from pain in the region of the aboulders, headsche, irregular bowels, faintness, sick stomach, variable spesite, bad taste in the mouth and plants from 12% 020 inches. Thick and the cutting gives quite as good re-sults in the long run. A bed is in perfection from 8 to 12 years old. The form 12% 000 inches. Thick and the cutting up to August will be of full market size, but the third will give a medium erop of medium sized stalks. An old bed is hard to kill, but constant and hate cutting up to August with and the cutting up to August with subsequent cultivation, will do it. SERECUTING POTATORS FOR PLANTING. —First class potato growers say that cut-ing the potato intended for planting, allowing two eyes to each piece, some two or three weeks before planting, and apreading out upon a dark barn floer or any similar floor where they will have a chance to sprout from one to two inches will add to their earliness in maturing some two weeks. They should be moist-end two or three times a week moder-ately, with rather warm water. In plant-ing out they should be fcovered with not over two inches of soil. If a moderate the potatoes can be out as suggested and planted in hotbeds with a very slight covering of soil, and planted out as re-commended. shame to aprove from one to two index mutual weights of the second two or three times, a week moders in the barry should be loovered with not many transfer the second Every one has hitherto imagined, says the Pall Mall Gazette, that the Eskimo

A room hung with pictures is a ung with thoughts. Trust that man in nothing who Trust that man in nothing who has not a conscience in everything. All history is but a romance, unless it is studied as an example. Of all ruins, the run of man is the moddest to contemplate. Faithfulness and sincerity are the ground work of all goodness.

He who can at all times sacrifice pleas-ure to duty, approaches sublimity. Banish the tears of children. Continual rain upon the blossoms render them fruitful.

A man without ambition is like dough without leaven in it to make it rise.

The want of pure and fresh water ac-

Simply monthly for Buren's Eldery the effect of Dr. Van Buren's Eldery Ouro in my case. An olderly lady writes this from Antigoniah, N. S., who had suffered from pains in the back for twenty years. Sold by J. Wilson Gede-rich. 2m By this time, says Carlyle in his Re-By this time, says Ourlyle in his Re-inizeness, we were getting noticed by elect individuals of the aristoorsoy; and ure what is called "rather rising in so-ety." Ambition that way my Jane

never had; but she took it always as a something of honor done to me, and had her various bits of satisfaction in it. To me I can recollect (except what of anob ambition there might be in me, which [1] hope was not very much, though for cer-

tain it was not quite wanting, either !) there was nothing of charm in any of them : old Lady Holland I viewed even
