

WITH THE FARMERS

EASTER MARKETS.

(From Monday's Bulletin.)
Easter trade was very brisk in the stores during the past week but was remarkably slow on the market square. This is accounted for by the fact that seedling operations are now full swing in the country and the farmers have no time to bring their produce to market. Eggs, the staple product at Easter, are very plentiful. They were selling on the market square on Saturday for 18 cents per dozen and it is stated that in the stores they were being retailed as low as 20 cents.

Another feature of the business on the market square during the past week is the scarcity in the supply of fuel. This is due to the fact that the roads, and has resulted in an advance in the price of fuel. Coal is now selling on the market square for \$3.50 to \$4 per ton, the highest price it has been for some time. White wood commands from \$3 to \$3.50 per cord.

With the advance of spring the offerings of market garden produce are more numerous. There is not much of this trade on the market square but in the grocery and produce stores lettuce and radishes are selling at two for five cents, new tomatoes at 25 cents per lb. and rhubarb at 45 cents per lb.

The following are the market prices prevailing on the market square during the past week:
Hay, timothy, \$12 to \$16 per ton.
Hay, alfalfa, \$11 to \$15 per ton.
Sorghum, \$8 to \$12 per ton.
Straw, \$4 to \$4.50 per ton.
Green feed, \$3 to \$4 per ton.
Oats, \$2 to \$2.50 per bushel.
Feed wheat, \$5 to \$6 per bushel.
Corn, \$2 to \$2.50 per bushel.
Beef, hind quarters, \$6 to \$8 per lb.
Beef, fore quarters, \$5 to \$6 per lb.
Eggs, fresh, \$1.50 per dozen.
Eggs, old, \$1.25 per dozen.
Wood, \$3 to \$3.50 per cord.
Potatoes, \$5 to \$6 per bushel.

SATURDAY'S GRAIN MARKETS.
Winnipeg, April 18.—There were no cables this morning, all the English and continental markets being closed. The estimated world's shipments were down to six and three-quarter millions with a heavy shrinkage in the wheat on passage, so that in spite of the general rains in the southern States, all markets advanced. There was a good range of prices, and fairly brisk trading, especially in the American markets. Winnipeg horses reported nothing doing. As the season advanced, prices advanced, and the high point, but the close showed a gain in Chicago of 1/4 to 1/2 for May, 1/4 to 1/2 for July and 1/4 for September. In Winnipeg the gain was 1/4 for May, 1/4 to 1/2 for July.
