Marie Corelli Talks "Right Up"

To the Rev. R. J. Campbell of "The New Theology" fame, in what she considers an unfair attack on her new book, "The Life Everlasting," Miss Corelli says, "That while preaching in the City Temple, London, he deliberately slanders both myself and my work without compassion. He says there is a certain strain of hard, bitter and intolerant depravity running all the way through it, and I challenged him to prove it. Far from any hard or unsympathetic feeling towards human depravity, I endeavour to show how it may be lessened and finally overcome by one's own noble effort when once we realize the eternal law—that evil is always repaid by evil and good by good."
 Every person interested in good fiction and in the social conditions of the people should read "The Life Everlasting." Paper, 50c.; cloth, 75c. Postpaid on receipt of price.
 All books by Miss Marie Corelli and the Rev. R. J. Campbell now in stock. Write for list, also for lists of 10, 15, 25 and 30 cent reprints of the world's best novels.
