

The Human Clock usually *Breaks Down* instead of *Runs Down*

"It has long been a favorite idea of mine to compare the human body with my old clock here."

"Without proper attention the old clock gets run down and stops until I wind it up again and then it ticks away just as heartily and regularly as ever."

"And so it is with the human body, but the great difference I find is that the human clock usually breaks down instead of runs down because people neglect to take proper care of their health."

"Through all these years I have managed to keep well and to keep young by using restorative treatment whenever there are indications of the system becoming run down."

"Fortunately I learned the value some years ago of Dr. Chase's Nerve Food and

to its use I largely attribute my healthful condition at this age."

"When I hear people talking about being unable to sleep or of suffering from nervous headaches, indigestion or worn-out feelings I ask them, 'Why do you not use Dr. Chase's Nerve Food to increase your nervous energy?'"

"So many people, as age advances, suffer from a lowering of the vitality, from high blood pressure or hardening of the arteries, but I have found that the use of this restorative treatment, when required keeps my health at the high water mark."

Young-Adams Co.

IN "UNCLE TOM'S CABIN."

The Young-Adams Company gave one of the best presentations of "Uncle Tom's Cabin" ever seen in this city, and at last night's performance they were greeted by a capacity house.

Miss Marjie Adams as Topsy, nearly brought down the house with her many mischievous pranks and escapades. This is a new role for this talented lady and she performs it to perfection. Mr. H. Wilmot Young in the role of Uncle Tom was the genuine kind hearted old negro slave, and his mastery impersonation of this character evoked much praise from the audience. Mr. Perry Norman as Mr. St. Clair was especially good in that role. Miss Marguerite Young played the dainty little Eva, and was more pleasing and acted the part to life. Other members of the cast who ably sustained their parts are—Eliza Harris (Miss Gladys Butler), Geo. Harris (Mr. John J. Gregory), Geo. Shelby (Mr. Geo. Carruth), Haley (Mr. Jack Simmonds), Parks (Mr. Donald Mack), Marie St. Clair (Miss Vivian Mayo). The most impressive part in the whole piece was the Death scene in the last act.

This production will also be given for the matinee to-morrow afternoon which no doubt will be of particular interest to the young folks. On Monday and Tuesday of next week "The Marriage Question" will be staged. This is a beautiful story of springtime and love eternal, and is also a splendidly costumed bill.

Robbers at Large.

During the past couple of weeks a series of robberies have been committed along Water Street, from the Long Bridge to the Court House. The robbers evidently have good knowledge of conditions and so far, the police have not been able to make any arrests. In several instances clues have been left, and at any moment the police may succeed in rounding up the gang.

Personal.

Ex-Pte. W. F. Doran, late of the Canadian Expeditionary Force, has secured a position as time keeper with the St. Lawrence Pulp and Paper Co. at Lomond, Bonne Bay, and leaves to take up his duties there to-day by the prospero.

Mr. Roger O'Neil, brother of Messrs. W. J. O'Neil (Eagan's Bakery), who served at the front and held an important position in London since the war, arrived home on a visit yesterday by the Kyle.

John Keefe, the obliging messenger at the Supreme Court, son of Sergt. Keefe, has entered the employ of the Martin-Royal Stores Hardware store to learn the trade of locksmithing.

Mr. Hutton wishes us to state that he regrets so much that the name of Mr. F. J. King, who played the opening organ solo so magnificently, as well as the name of Mr. Gordon Christian, who played the accompaniments in such a masterly manner, were inadvertently omitted from the programme of last night's concert.
