Bovril Sandwiches are excellent

Many people prefer Bovril sandwiches to any other kind. They are prepared in a minute and provide a meal as nourishing as a manycourse dinner.

The bread and butter should be cut very thin, and spread evenly with Bovril straight from the bottle. You can add cucumber, lettuce or cress, or sliced hard-boiled eggs, if you prefer.

You will be delighted with the appetising, savoury flavour of Bovril sandwiches; and they can save you a lot of cooking in the hot weather. Get a bottle of Bovril and try them to-morrow.

CHAPTER VI. DELICATE ARRANGEMENTS AFOOT

At these portentous sentences Mr.

Rupert Villiers changed color. More than one spectral bill not included in the last over-heavy schedule that he had submitted to his father reproached his memory. A horrible dread stirred within him that a certain florist's account might have got round to the major, for he had been ass enough that season to beleaguer with bouquets a fair cantatrice, who never so much as wasted a thought on where her Marechal Niels and lilies and ferns came from so regularly, nor had ever repaid his costly offerings with a single special smile. A fear shot through him that a transaction involving an I O U to one young Tufter-a friend the major cared little for-might have reached paternal ears; and a guilty recollection overcame him that he had as good as given his word never again to meddle with a fascinating game called "Nap."

All these and many another qualm gave the young man a bad sixty seconds, and when the letter was passed over to him, with a low but emphatic "Just read that, and let me hear what you have to say about it," the fingers with which he opened Mrs. Alwyn's epistle positively shook with apprehension. But the writing and a rapid glance at the signature relieved him unspeakably. The whole quickly scanned, he breathed freely again, though a new species of dilemma was now
