What if Your Home Burned To-Night?
Would to-morrow and the years to come be clouded with remorse by the loss of treasures that nothing can replace? Photographs, heirlooms, gifts, personal letters and mementoes—could you state their value to you in dollars and cents?
If fire suddenly came to-night, where would you find your silverware, jewels, rare collections, your inventory of household goods, and such private papers as you keep at home?
How about the days, weeks or months that your house is shut up and empty while you are out of town? Suppose fire should visit it then?
Keep your valuables in the SAFE-CABINET, installed in your own home, where it will be instantly accessible and convenient to use.

THE SAFE-CABINET FOR YOUR HOME.
There are sizes of the Safe-Cabinet specially suited for home use. The Safe-Cabinet can be fitted with plain or lock drawers and shelves. Call or write for particulars.

We represent THE CONTINENTAL INSURANCE CO. of New York. Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service.
