CAUTION!
 The Heart is the seat of life. It has more responsible work to do than
 any other organ in the body of human life.
 Why do you neglect it? Don't you read in the papers of the many
 deaths that are caused by the failure of the heart? Keep it in good
 order. Help it to be strong and prolong life. Dr. F. G. Kinsman's
 Heart Tablets has been tested and recommended by thousands of people
 to be the only remedy that could keep your heart in good order. These
 Tablets are in town and are sold by every Drug Store at \$1.00 per box.
 Buy a box and you will be convinced of their good.
