Uncommon Sense.

"GETTING A LIVING" ISN'T

The world may owe every man a living. But it is a debt that is not worth worrying about, although there is less trouble collecting it than might

But the world pays in its own fash-

rd room and board in a workhouse. Then, the debt being off its mind, it oes its own way.

Getting a living by one's own efforts easier than getting it from the

very small thing to do. You will find the lowest humanity doing that-in the jungles of middle Africa, and in the snow-

Getting a living requires little effort, and still less thought. Turn a cat out of doors and she will manage

The mud turtle, which has not room in its head for more than a thimblesize brain, does it. So does the despis-

What a man ought to get out of this world is happiness, and interest, and

That is what he is here for.

That is the purpose of creation. With his brain, far greater and more powerful than that of any other creature, he can not only get a living for himself and a family, but he can help to teach others what life is for, and how much to be enjoyed in this revolving miracle we call the world. . He can, after his bare living has been earned, turn his intelligence to the pursuit of knowledge, he can learn to appreciate art, if not to practice it, he can examine "e wonders of science, and perhaps multiply them by

If all men had been content to color even to earn it for themselves, and no more, this world would be about as it was left after the last glacier and planed its surface into its final

For a real man, a living is only a means of existing while he does real
