Harbor Grace Notes

The musical concert held at the
Salvation Army Citadel on Tuesday
night proved a great success, the Cit-
adel being completely packed and a
very fine sum was realized. Com-
mandant Urquhart of St. John's, was
the main performer and displayed his
musical talent to the admiration and
wonder of those present. Cadet Dris-
coll, also of St. John's, was present
and assisted in the rendition of the
programme. Mr. E. Simmons perform-
ed the duties of chairman for the
evening. Candy was sold during the
interval. A similar concert was held
at Carbonear on Monday night, when
something over one hundred dollars
was realized as proceeds.

At the present time the harbour is
frozen over out to some distance be-
yond the Point of Beach, and in the
neighbourhood of Shiphead is being
used by pedestrians crossing to and
from the south side.

Last week the schooner "Exotic,"
owned by Messrs. G. & M. Gosse,
Spaniard's Bay, which had been moor-
ed at Riverhead and frozen in the ice
there, moved out with the ice. Men
boarded her from the south side, but
their attempts to cut her out were un-
successful, as were also the efforts of
the ferry in towing her back. A tug
was wired for and the S. S. Mary
picked her up and she was towed back
to port on Thursday last, where she
has since been secured.

Mr. Gong Kee, a Chinaman who has
been residing here for some ten years
or so, was taken very ill last week. He
has since improved somewhat, but is
being taken to the General Hospital,
St. John's, by to-morrow morning's
train for the necessary treatment.
He has been conducting a small store
here on Water Street for some time
and has many friends, who are sorry
to learn of his illness, but trust that
he will soon recover.

The stork arrived at the home of
Mr. and Mrs. Ernest Gosse of the west
end on January 11th, and left a baby
boy. We extend congratulations.

The First Harbor Grace Companies
of Boy Scouts, Girl Guides and Brown-
ies are holding a joint Tea and Sale
of Work on Thursday of next week,
February 12th. We trust that this
affair of the Scouts and Guides will be
well patronized, and thus help them
along in the good work.

Mr. W. J. Parsons, manager of the
Harbor Grace Boot and Shoe Manu-
facturing Co., Ltd. left town last week
en route to Boston, Mass., on busi-
ness for his firm.

Mr. J. A. Dunbar, who has been here
on a business visit, left town again
last week for the city.

Two Gospel Preachers have been in
town for the last week, and are con-
ducting meetings each night at Don-
nelly Hall, which are very well at-
tended.

It is greatly regretted by our citi-
zens and St. Paul's Parish especially
that their Rector, Rev. W. R. J. Hig-
gitt, has been compelled, through ill-
health, to resign and, we understand,
will be relinquishing his charge in
June next, when he will leave for
England. The Rev. gentleman has al-
ways been to the fore in promoting
the welfare of the town, and has
shown a deep interest in the sports
element. Mr. Higgett has endeared
himself to all during his sojourn in
our midst, and his place will be hard
to fill.

Harbor Grace, Feb. 4th, 1925.

AT THE VALLEY NURSERIES,
LTD.—The thermometer at the Valley
Nurseries, Ltd. registered 6 degrees
of frost last evening.
