WESTERN FRUIT.—We are always glad to note any fact which indicates the increase of the trade of the Western part of the Dominion with the Eastern. Such indications are exceedingly gratifying, however unimportant the article may be which one Province requires to buy from another, as they show that trade is steadily increasing between them. We are glad to learn from the West that no inconsiderable purchase of fruit is being made there for the supply of the Nova Scotia and New Brunswick markets. One dealer has sent a consignment of apples to Newfoundland, enquiries having been sent from there as to whether Ontario could supply the fruit required. There is no reason why a large fruit trade might not be carried on with our Eastern fellow-subjects. Ontario is now one of the best apple-growing regions on the Continent, and the crop is increasing very rapidly. It is becoming more valuable every year, and if the Maritime Provinces afforded a market for our surplus yield, we might soon expect our annual sales to foot up to something handsome. The fact that local Western dealers find it profitable to ship there this fall, is very gratifying, and affords another evidence that trade is steadily increasing between the different parts of our country.

RAPID PRINTING.—A gentleman writing from Paris says.—Rapidity of printing has been carried on in France to a degree far exceeding anything which has yet been accomplished in machine work, and outstripping the famous American machines, which were supposed to have realized everything attainable in the way of speed. M. Maroni has just put up in the new printing offices of the *Petit Journal* (a half-penny daily paper) a machine of his invention, which prints 600 copies a minute. Four of these powerful machines turn out 144,000 copies an hour, the whole impression being 446,000 daily.

JUAREZ.—Juarez was at one time an exile in the United States. This was between the years 1852 and 1855, when owing to the downfall of Comonfort, through the intrigues of Santa Anna, he voluntarily expatriated himself, and took up his residence in the city of New Orleans, where he conducted a small manufactory of cigarettes. During his sojourn there he employed himself in the diligent study of our laws and our institutions; and he returned to Mexico with his mind well stored with sound republican ideas. Although an Indian, he is free from the vices of the race to which he belongs. He is described as a small man with all the physical characteristics of the aborigines; of mild, gentlemanly, and kind manners, and by no means harsh, cruel, or vindictive.

MARRIED FOR FUN.—The Detroit *Free Press* narrates that a few evenings since, a gay young young mechanic at a party bantered a young damsel upon the marriage ceremony, and asked her to try the effect of it "just for fun." They at once proceeded to a clergyman, who tied the knot in downright earnest, and the parties awoke to a realization of the fact that they were man and wife. Legal advice but confirmed the ceremony. On being appealed to by the girl's friends, he said that he did'nt mean to do any harm, and pleaded the school-boy's defence—"the darned thing had whistled itself." An action for divorce has commenced.

DUCK HUNTING.—A small party, for pleasure and sport, were at Shoal Lake for a few days last week, and bagged the comfortable number of two hundred and fifty ducks, besides a goodly number of geese. The printer-boys of this office were also out, and with a printer's skill brought in fifty ducks and a few geese, which unexpected supply of provisions enables us to continue the publication of the *Nor'-Wester* for the season.

INDIA & CHINA TEA CO'Y.

Home Depot at London and Liverpool. Canada Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for PURITY and EXCELLENCE will be found unequalled.

The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and, by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Tea of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great briskness and flavour, combined with colour and strength, and to be entirely different to the flat and vapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf.

PRICES: Rich, full-flavoured Tea, for family use a real genuine and fine article 70 cents per lb. Finest quality procurable, one dollar per lb.

☞ The above can be had either Black, Green or Mixed.

To be had in packets of Quarter Pound Half Pound, One Pound. and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents in all the chief towns of Canada.—N.B. All the packages are lined with tin foil paper, and the Tea will consequently retain its flavour any length of time.

OBSERVE.—All packages have the Company's trade-mark, without which none are genuine.

Great Cure of Liver Complaint and Dyspepsia in Canada.

Consecon, Prince Edward Co., C. W. March, 1867.

MESSRS. Young & Chamberlain,—Sirs—Having proved within my own person that there is at last a medicine that will indeed cure Liver Complaint and Dyspepsia, I am induced to make this statement, under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements, with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c, and was greatly reduced in strength. Hearing your new Indian medicine, the Great Shoshonees Remedy, spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued it until I have taken about ten bottles, using the Pills, and I find that I have quite recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. I told him that the Great Shoshonees Remedy was doing it. I have recommended the Remedy in several cases, and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.
