

THE SOUTHERN EXTENSION.—A deputation of prominent men, representing the people along the line of the Southern extension of the Wellington, Grey, and Bruce section arrived at Hamilton on Tuesday night on business connected with that road. Among the deputation were Messrs. H. Baird, Warden of Bruce; W. T. Lett, of Wingham; John Misaner, of Bluevale; Thos. Strachan, Reeve of Gray; John Leckie, Brussels; E. C. Davies, and D. Campbell, Listowel. These gentlemen first interviewed the Board of Trade, and desired to know why the southern extension of the line was not yet opened. The promoters of the scheme were living in a hot bed of indignation from the people on account of the non-opening of that part of the line by the directors. The deputation talked in very severe terms. A resolution was passed to the effect that the Board of Trade would co-operate with the W. G. and B. Board and secure an early opening of the extension, and would send a cable despatch to the old country in regard to the matter. The deputation will meet the W. G. and B. Board this (Wednesday) afternoon.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London. See article in *Cassell's Household Guide*.

A mirage occurred near Buckland, Va., recently, by which the whole city of Washington, forty miles distant, with the Potomac flowing by it, became visible in the clouds. The scene lasted but a few moments.

THE PAIN-KILLER.—We have known the high character of this medicine, and that it is used with great success and satisfaction in our very best families. It is the favorite medicine of our missionaries in heathen lands, where they use it more than all else together for the diseases that abound in those warm climates. It should be kept in every house, and be in readiness for sudden attacks of sickness.—*Christian Press.*

Special Notices.

THE RECENT CASE OF DEATH by strychnine poisoning from taking **STRUP** OF HYPOPHOSPHITES, noticed in the *Montreal Daily Witness* of August 1st, readers great caution necessary not to confound Dr. Wheeler's Compound Elixir of PHOSPHATES and Calcium with COMPOUND SYRUP OF HYPOPHOSPHITES. Observe well the difference in orthography and bear in mind that medicinally there is no similarity in action or effect.

PHOSPHATES ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are capable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can result from taking more than the prescribed dose than from eating too hearty a dinner.

It soothes the irritated or inflamed part, and gives rest and quiet to the sufferer. It is eminently the people's friend, and every one should have it with them, or where they can put their hands on it in the dark "need be."

Specific Medicine

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an infallible cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a consequence of Self Abuse, or Loss of Memory, Universal Lassitude, Pain in the Back, Dizziness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at \$1 per package, or six packages for \$5, or will be sent by mail on receipt of the money, by addressing
