"Newfoundland bait cruiser Fiona fired on a French vessel which was taking bait." No further particulars have been received.

New York, July 16.—A special to the Journal from Halifax says there are rumors there that tresh trouble of a most serious character has broken out between the French and English on the Newfoundland coast. It is said that the Newfoundland cruiser Fiona fired a shot across the bows of a French fishing brig which had refused to obey the cruiser's signals to lay to, the French vessel having been discovered taking bait on the south coast. The story has not been confirmed, but color is given to it by the hurried departure yesterday of H. M. S. Bellerophon and two other men-of-war.

THE CLAREMONT DISASTER.

HOLOCAUST IN QUEBEC.

A Family of Five Persons Roasted to Death—Possibly Other Victims.

QUEBEC, Que., July 17.—At 2 o'clock this morning a fire broke out in a barroom on St. Joseph street owned by Delamare & Oulette. The flames made such rapid headway that the whole house was soon in a blaze. The fire brigade promptly answered the alarm which, however, was a little late. On arriving at the scene they worked with energy at preserving the surrounding property unaware that the occupants of the upper part of the burning house were

pants of the upper part of the house were

ROASTING TO DEATH.

It was only when the flames had been extinguished that they came in sight of the bodies of a family of five persons who had been burned to death. The family consisted of Pierre E. Miranda, his wife and three children who had moved here from the United States intending to settle in their native city where they had found situations.

POSSIELY MORE PURPER PROPER PROPERTY NAMES TO THE PROPERTY NAMES

It is thought that more people have perished in the flames as the Mirandas were lodging several persons from the city.
