the army is to retire to Thermopylae London, April 26.-The Times today publishes a dispatch from Athens, dated Saturday night, giving an account of an interview between the Times correspondent there and the Greek Premier, M. Delyannis. The latter is quoted as saying that neither by the Government to do their work, the King nor the Government had received any information that day from the Greek army in Thessaly beyond the announcement that the Greek forces had been successfully concentrated in Pharsalos, to which place they had retreated in good order, savtrespassing on the C. P. R. Moran ing all their artillery except the siege says he came from Chicago. He was guns, which they had been forced to

AT PHARSALOS. Gen. Smolenski's column, concerning which the greatest anxiety was felt, has reached Pharsalos safely, and, the Premier added, 40,000 Greek troops are now concentrated at Pharsalos, which is a place of considerable strength, the advisability of occupying it in case of retreat having long been under consideration by the Government. M. Delyannis said there was needless alarm regarding the safety of Volo, adding there was no reason to fear that the Turks would attempt to occupy it. The successes of the Greek troops in Epirus, M. Delyannis pointed out, were a counerpoise to the reverses in Thessaly, according to unofficial information, the Greeks expected to arrive at Janina on Saturday night. The Premier was convinced Athens would remain quiet, asserted that the people Times correspondent there was no rea-

son to fear any disturbance THE PLUCKY OLD PREMIER. M. Delyannis, the Times' correspondent adds, in spite of his age and severe anxieties, appeared to be in the best

of health and spirits. Interviews with the Ministers of Marine and War were also obtained by the -Six oil experts from Petrolea were Times' correspondent. The former statn the city today en route to the ed he had not received confirmation of the rumor that Dodoagatch had been bombarded by the Greek flect. After the destruction of Platamona and Katerina, the Minister of Marine added the eastern squadron had been expected find and engage the Turkish fleet and the present location of the squadron was not known. The Minister of Marine did not think it necessary for

Greek warships to return to protect The Minister of War, the Times' correspondent reports, said on Saturday there were 30,000 Greek troops concen trated at Pharsalea, and that every effort was being made to reinforce them. Two thousand five hundred gendarmes and engineers were then leav-
