

"Thank You"

Two ladies affected with Hood's Sarsaparilla, covering almost the whole of one of my face, nearly to the top of my head. Running sores discharged from both ears. My eyes were very bad, the eyelids so sore it was painful opening or closing them. For nearly a year I was deaf. I went to the hospital and had an operation performed for the removal of a catarrh from my ears. One day my sister brought me

Hood's Sarsaparilla

took it, and gradually began to feel better and stronger, and slowly the sores on my face and in my ears healed. I can now hear as well as ever. Mrs. ANNA PAISLEY, 170 Lansdowne Street, Newburgh, N. Y.

THE STARS AGAIN WIN.

The Stars again outshone the Alerts Saturday and made the latter look very inferior. The Alerts seemed to be affected with what is known in baseball parlance as "the razzle-dazzles," and the Stars took advantage of these "moments of weakness," as the Finance Minister might term them. In the eighth the Alerts, which was very proper. These pyrotechnics commenced in the third inning, when four bases on balls and three hits allowed entry of Bill Thompson's twinklers to strike the bases. In the eighth the Alerts made four successive muffs of a ridiculous kind, and four more runs were tallied by their opponents amid the laughter of the crowd. Sam Collins started in to pitch for the Stars and did until the third inning, when his arm gave out. He was sent to the hospital, but even when found it went to throw to first base. He was finally relegated to right field, McLeod replacing him at third and Quinn entering the box. The Alerts could not do much with McLeod's left-hand delivery. There was no batting to any great extent, but he was wild and gave ten bases on balls. Sippi distinguished himself by making three hits and four runs. He plays ball for all he is worth, and is an invaluable acquisition to the club. The veteran Bill Thompson, too, tickled his similes by good stick work, including a two-bagger. The game Saturday had to be called in the eighth on account of rain. The big crowd on the grounds made a rush for the covered grand stand, but as the roof leaked like a sieve people chose to leave the rain. The Alerts seem to see that the roof is made waterproof in reference to the Alerts. Many ladies in summer toilets were disgustingly moistened in the rain Saturday. The score was as follows:

CRICKET.

D. A. C. VS. HAMILTON.

DETROIT, July 23.—The D. A. C. cricket team scored a victory over the Hamilton Cricket Club yesterday, winning handsily on the score of first innings, 101 to 51. The visitors won the toss and chose to bat first, but could make no stand against the bowling of Stuart, Pickering and Roberts, and they were all disposed of for 51 runs before lunch. The D. A. C. men batted well, and five of the team got into double figures, Mr. Calvert leading with 17, not out. The rest was quite respectable, getting just past the 100 mark. The Hamilton gentlemen did much better in their second attempt, putting on 107 by sound cricket. The last wicket fell just before the call of time. Mr. A. F. Martin in this inning made the best score of the day, gathering 39 in capital style.
