The Vital Difference

between Laxatives and Purgatives cannot be too clearly understood.
The former are GENTLE, the latter VIOLENT. A LAXA-TIVE assists the organs; a PUR-GATIVE takes the work out of nature's hands. And every time that nature fails to perform its proper functions it

is less disposed to perform them. Purgatives, therefore, are at best a necessary evil, like an emetic to relieve the Stomach o

undigested food. IRON-OX TABLETS

are an ideal Laxative, strengthening instead of debilitating.
